Jennifer Coffey, Library Director

Director Coffey reported that the Friends quarterly book sale will be held in May. They continue to support library programs and help with outreach at local schools. Many of the Friends also volunteer at the library. Chair Spoonemore also pointed out that the Friends nominated Jennifer for the Librarian of the Year Award.

- 4B. [2018-6682](#) Teen Liaison report.
Christian Douglas, Hendrickson High School
Jeremy Ryan, Henrickson High School

Christian Douglas reported that AP season has begun at Hendrickson, with many students focused on these tests. They are having a book drive for used AP preparation books to help raise money for an AP scholarship fund and the school library is helping with this. The maker space is up and running. April is poetry month and the students are doing black-out poems again.

- 4C. [2018-6681](#) Library Director Report.
Jennifer Coffey, Library Director

Director Coffey reported that our librarians and other professional staff members attended the Texas Library Association Conference last week in Dallas. The conference gives staff a chance for professional development, continuing education, training other librarians, and serving on professional committees. Several staff members gave presentations or demonstrations including: Melissa Grzybowski, Carmen Lazo, Bette McDowell, and Meg Miller. The Assistant Director of the American Library Association reached out to the library wanting to see our policies for programs and displays. They hope to

share them as an example for other libraries. The stats depicted on the Director's Report show numbers similar to last years in most areas, with an increase in programming attendance.

5. Discuss and Consider Action

5A. [2018-6686](#) Approve Teen Liaison Candidate
Robert Spoonemore, Library Board Chair

A motion was made by Secretary Grzybowski to accept Princess Hall and Gabriel Hayek as Teen Liaisons for the Library Board. The motion was seconded by Board Member Janacek. The Board voted unanimously to accept. Director Coffey explained to the new liaisons that each meeting they will give a brief update about their school, especially things related to their school library.

5B. [2018-6684](#) Annual Review of Library Policies
Robert Spoonemore, Library Board Chair

Chair Spoonemore explained that Director Coffey wrote a section in the policies regarding displays by outside groups. Director Coffey added that this was in response to a suggestion made by Board Member Moore to add language to the policies that dealt with the art displays we have in the library from outside groups. The wording includes that displays will be chosen on an inclusive basis on a broad range of subjects, and that the artwork will be on display to people of all ages. Board Member Bronson asked if the final decision would still be the director's. Director Coffey responded that it would. Board Member Janacek added that the wording covers possible objections and gives the director back up if needed. Director Coffey explained that much of the language comes from the American Library Association and that this will protect the library on decisions made regarding appropriate subject matter. A motion was made to approve this addition to the policies by Board Member Bronson. Secretary Grzybowski seconded the motion. The board passed it unanimously.
