Re: 2025 Pfennig Ground Storage Tank Rehabilitation
Award Recommendation

Dear Makena Saluone,

Seven sealed competitive proposals were received on October 2, 2025, for the 2025 Pfennig Ground Storage Tank Rehabilitation project. The proposals ranged from \$ 370,500 to \$1,037,000 as shown on the bid tabulation. The lowest 3 bidders were evaluated and ranked according to the criteria listed in the contract documents.

Competitive Sealed Proposal Ranking Matrix:

<u>Firm</u>	<u>Base Proposal</u>	<u>Score</u>	<u>Rank</u>
CROM-CFG Industries	\$370,500	92.8	1
DN Tanks	\$504,180	77.9	2
N.G. Painting	\$490,000	69.4	3

CROM-CFG Industries' proposal appears to offer the best value for this project. CROM-CFG has completed similar projects in the past and appears qualified to perform this project. Performance and payment bonds will be provided by the contractor for the full amount of the contract. Considering the contractor's experience and proposal ranking, it is recommended that the City of Pflugerville award the project to CROM-CFG Industries in the amount of \$370,500.

If you have any questions or comments, please do not hesitate to contact this office.

Sincerely,

Charles A. Davis, P.E.
