Subject: Neptune Sole Source Distribution in Central Texas

Neptune Technology Group, Inc. has always valued the City of Pflugerville, Texas as a loyal customer. I want to clarify that Core and Main is the exclusive full line Neptune distributor for the Central Texas area. As the sole source provider of all Neptune products, the City of Pflugerville can continue to depend on the local Core and Main branch for all your metering needs.

Regards,

*Rex Baxter*

Senior Territory Manager
