SECTION 1. RECITALS, AMOUNT AND PURPOSE OF THE CERTIFICATES.

The recitals set forth in the preamble hereof are incorporated herein and shall have the same force and effect as if set forth in this section. The Certificates are hereby authorized to be issued and delivered in the maximum aggregate principal amount not to exceed \$76,000,000 for the purpose of paying contractual obligations incurred or to be incurred by the City for: (1) constructing a new City public works complex for the City utility and public works services; (2) constructing, improving, extending, expanding, upgrading, reconstructing and developing City streets, bridges, sidewalks, bike lanes, intersections and related traffic and signal improvements, including purchasing any necessary right-of-way and equipment, including for Colorado Sand Drive, Kelly Lane, Cameron Road, E. Pflugerville Parkway, Cele Road, Rowe Lane, SH 45 frontage roads and Weiss Lane; and (3) professional services including fiscal, engineering, architectural and legal fees and other such costs incurred in connection therewith including the costs of issuing the Certificates.

SECTION 2. DATE, DENOMINATIONS, NUMBERS, MATURITIES AND TERMS OF CERTIFICATES. (a) There initially shall be issued, sold and delivered under this Ordinance fully registered certificates, without interest coupons, which may be in the form of current interest certificates, numbered consecutively from R-1 upward (except the Initial Certificate submitted to the

Attorney General of the State of Texas which shall be numbered T-1) payable to the initial registered owner(s) (as designated in subsection (c) of this Section), or to the registered assignee or assignees of said Certificates or any portion or portions thereof (in each case, the "Registered Owner" or the "Owner"), in the denomination of \$5,000 or any integral multiple thereof, maturing not later than August 1, 2053, serially or otherwise on the dates, in the years and in the principal amounts, respectively, and dated, all as set forth in the pricing certificate to be executed and delivered (the "Pricing Certificate") by the City Manager of the City or an Assistant City Manager of the City (each a "City Officer") pursuant to subsection (b) of this Section. The Pricing Certificate is hereby incorporated in and made a part of this Ordinance.

In the event the Pricing Certificate (and any purchase agreement as provided in subsection (c) of this Section) shall not be executed on or before 5:00 p.m. on October 23, 2023, the delegation to the City Officers pursuant to this Ordinance shall cease to be effective, provided that Certificates priced on or before such time date may be delivered to the initial purchaser(s) thereof after such time and date.

(b) As authorized by Chapter 1371, Texas Government Code, as amended, each City Officer is hereby authorized to act on behalf of the City in selling and delivering one or more series of the Certificates and carrying out the other procedures specified in this Ordinance, including determining the date of the Certificates, any additional or different designation or title by which a series of the Certificates shall be known, the price at which each series of the Certificates will be sold, the years in which the Certificates will mature, the principal amount to mature in each of such years, the aggregate principal amount of the Certificates, the rate or rates of interest to be borne by each such maturity, the interest payment periods, the dates, price, and terms upon and at which the Certificates shall be subject to redemption prior to maturity at the option of the City, as well as any mandatory sinking fund redemption provisions, and all other matters relating to the issuance, sale, and delivery of the Certificates, all of which shall be specified in the Pricing Certificate; provided that (i) the price to be paid for each series of the Certificates shall not be less than 90% of the aggregate original principal amount thereof plus accrued interest thereon from its date to its delivery, (ii) none of the Certificates of a series shall bear interest at a rate greater than 5.5% but in no event shall sale rate be greater than the maximum authorized by law, and (iii) each series of the Certificates shall be rated by a nationally recognized rating agency in one of the four higher rating categories. In establishing the aggregate principal amount of the Certificates, the City Officer shall establish an amount not to exceed the amount authorized in Section 1 hereof, which shall be sufficient to provide for the purposes for which the Certificates are authorized and to pay the costs of issuing the Certificates.

(c) To achieve advantageous borrowing costs for the City, the Certificates shall be sold on a negotiated, placement or competitive basis as determined by the City Officer in the Pricing Certificate. In determining whether to sell the Certificates by negotiated, placement or competitive sale, the City Officer shall take into account any material disclosure issues which might exist at the time, the market conditions expected at the time of the sale and any other matters which, in the judgment of the City Officer, might affect the net borrowing costs on the Certificates.

If the City Officer determines that a series of the Certificates should be sold at a competitive sale, the City Officer shall cause to be prepared a notice of sale and official statement in such manner as the City Officer deems appropriate, to make the notice of sale and official statement available to

those institutions and firms wishing to submit a bid for the Certificates, to receive such bids, and to award the sale of the Certificates to the bidder submitting the best bid in accordance with the provisions of the notice of sale.

If the City Officer determines that a series of the Certificates should be sold by a negotiated sale or placement, the City Officer shall designate the placement purchaser or the senior managing underwriter for the Certificates and such additional investment banking firms as the City Officer deems appropriate to assure that the Certificates are sold on the most advantageous terms to the City.

The City Officer, acting for and on behalf of the City, is authorized to enter into and carry out a Bond Purchase Agreement or other agreement for the Certificates to be sold by negotiated sale or placement, with the underwriters or placement purchasers at such price, with and subject to such terms as determined by the City Officer pursuant to subsection (b) above. Each Bond Purchase Agreement or other agreement shall be substantially in the form and substance previously approved by the City in connection with the authorization of debt with such changes as are acceptable to the City Officer.

Notwithstanding anything else in this Ordinance to the contrary, in the event that the Pricing Officer determines that it is in the best interest of the City, the Pricing Officer may elect to sell the Certificates by a private placement to a financial institution or other purchaser. In the event the Certificates are sold in such a private placement, the Pricing Officer may elect to have the purchaser deliver an investment letter approved by the City's bond counsel as the bond purchase agreement contemplated by this Ordinance and the Pricing Officer is hereby authorized to sign such investment letter. In the event such investment letter contains customary representations that the purchaser is a sophisticated investor purchasing the Certificates without an intent to resell the Certificates and has received sufficient disclosure from the City, the Certificates may be sold in such a private placement without the Official Statement contemplated by this Ordinance. The Pricing Certificate executed with respect to such a private placement may also provide for a Form of Certificate which requires a single Certificate with an authorized denomination in the aggregate principal amount of the Certificate that is payable in annual principal installments. The Pricing Officer may also elect in the Pricing Certificate for such a private placement to modify the continuing disclosure requirements set forth in Section 17 hereof as necessary and customary for such a private placement transaction.

In satisfaction of Section 1201.022(a)(3), Texas Government Code, the City hereby determines that the delegation of the authority to the City Officer to approve the final terms and conditions of each series of the Certificates as set forth in this Ordinance and the decisions made by the City Officer pursuant to such delegated authority and incorporated in each Pricing Certificate will be, in the best interests and shall have the same force and effect as if such determination were made by the City Officer and each City Officer is hereby authorized to make and include in each Pricing Certificate an appropriate finding to that effect.

(d) The Certificates shall bear interest calculated on the basis of a 360-day year composed of twelve 30-day months from the dates specified in the FORM OF CERTIFICATES set forth in this Ordinance to their respective dates of maturity or redemption at the rates per annum set forth in the Pricing Certificate.

SECTION 3. INTEREST. The Certificates shall bear interest from the dates specified in the FORM OF CERTIFICATE set forth in this Ordinance to their respective dates of maturity or

redemption at the rates per annum as set forth in the Pricing Certificate. Interest shall be payable in the manner provided and on the dates stated in the FORM OF CERTIFICATE set forth in this Ordinance and the Pricing Certificate.

SECTION 4. CHARACTERISTICS OF THE CERTIFICATES. (a) Registration, Transfer, Conversion and Exchange; Authentication. The City shall keep or cause to be kept at the principal corporate trust officer of such eligible institution as may be selected by the Pricing Officer in the Pricing Certificate to serve as paying agent/registrar for the Certificates (the "Paying Agent/Registrar") books or records for the registration of the transfer, conversion and exchange of the Certificates (the "Registration Books"), and the City hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the City and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the Registered Owner of each Certificate to which payments with respect to the Certificates shall be mailed, as herein provided; but it shall be the duty of each Registered Owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The City shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Paying Agent/Registrar shall make a copy of the Registration Books available within the State of Texas. The City shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Certificate or Certificates. Registration of assignments, transfers, conversions and exchanges of Certificates shall be made in the manner provided and with the effect stated in the FORM OF CERTIFICATE set forth in this Ordinance. Each substitute Certificate shall bear a letter and/or number to distinguish it from each other Certificate.

Except as provided in Section 4(c) of this Ordinance, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Certificate, date and manually sign the Certificate, and no such Certificate shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid Certificates and Certificates surrendered for conversion and exchange. No additional ordinances, orders, or resolutions need be passed or adopted by the governing body of the City or any other body or person so as to accomplish the foregoing conversion and exchange of any Certificate or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Certificates in the manner prescribed herein, and the Certificates shall be printed or typed on paper of customary weight and strength. Pursuant to Chapter 1201, Texas Government Code, as amended, and particularly Subchapter D thereof, the duty of conversion and exchange of Certificates as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Certificate, the converted and exchanged Certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Certificates which initially were issued and delivered pursuant to this Ordinance, approved by the Attorney General and registered by the Comptroller of Public Accounts.

(b) Payment of Certificates and Interest. The City hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Certificates, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the City and the Paying Agent/Registrar with respect to the Certificates, and of all conversions and exchanges of Certificates, and all replacements of Certificates, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Registered Owner appearing on the Registration Books at the close of business on the last business day immediately preceding the date of mailing of such notice.

(c) In General. The Certificates (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Certificates to be payable only to the Registered Owners thereof, (ii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the City at least 45 days prior to any such redemption date), (iii) may be converted and exchanged for other Certificates, (iv) may be transferred and assigned, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Certificates shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the City shall have certain duties and responsibilities with respect to the Certificates, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF CERTIFICATE set forth in this Ordinance, and with such changes and additions as required to be consistent with the provisions contained in the Pricing Certificate relating to the Certificates. The Initial Certificate initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Certificate issued in conversion of and exchange for any Certificate or Certificates issued under this Ordinance the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF CERTIFICATE.

(d) Substitute Paying Agent/Registrar. The City covenants with the Registered Owners of the Certificates that at all times while the Certificates are outstanding the City will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Certificates under this Ordinance, and that the Paying Agent/Registrar will be one entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 30 days written notice to the Paying Agent/Registrar, to be effective at such time which will not disrupt or delay payment on the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the City covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Certificates, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying

Agent/Registrar, the City promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each Registered Owner of the Certificates, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(e) Book-Entry-Only System. The Certificates issued in exchange for the Initial Certificate initially issued as provided in Section 4(i) shall be issued in the form of a separate single fully registered Certificate for each of the maturities thereof registered in the name of Cede & Co. as nominee of The Depository Trust Company of New York ("DTC") and except as provided in subsection (f) hereof, all of the outstanding Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created to hold securities to facilitate the clearance and settlement of securities transactions among DTC participants (the "DTC Participant") or to any person on behalf of whom such a DTC Participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner, as shown on the Registration Books, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the payment to any DTC Participant or any person, other than a Registered Owner, as shown on the Registration Books of any amount with respect to principal of, premium, if any, or interest on the Certificates. Notwithstanding any other provision of this Ordinance to the contrary, but to the extent permitted by law, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Registration Books as the absolute owner of such Certificate for the purpose of payment of principal, premium, if any, and interest, with respect to such Certificate, for the purposes of registering transfers with respect to such Certificates, and for all other purposes of registering transfers with respect to such Certificates, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Certificates only to or upon the order of the respective Registered Owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Certificates to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the registered owner at the close of business on the Record Date the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(f) Successor Securities Depository; Transfer Outside Book-Entry-Only System. In the event that the City determines to discontinue the book-entry system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Certificates, the City shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Certificates and transfer one or more separate Certificates to DTC Participants having Certificates credited to their DTC accounts. In such event, the Certificates shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the Registered Owner transferring or exchanging Certificates shall designate, in accordance with the provisions of this Ordinance.

(g) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the Letter of Representations of the City to DTC.

(h) DTC Blanket Letter of Representations. The City confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Certificates.

(i) Cancellation of Initial Certificate. On the closing date, one Initial Certificate representing the entire principal amount of the Certificates, payable in stated installments to the order of the designated representative of the initial purchaser or the designees thereof as set forth in the Pricing Certificate, executed by manual or facsimile signature of the Mayor or Mayor Pro-Tem and City Secretary, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such initial purchaser or its designee. Upon payment for the Initial Certificate, the Paying Agent/Registrar shall cancel the Initial Certificate and deliver to DTC on behalf of such initial purchaser one separate single fully registered Certificate for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC and except as provided in Section 4(f), all of the outstanding Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

SECTION 5. FORM OF CERTIFICATE. The form of the Certificate, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment, the form of Initial Certificate and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Initial Certificate initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance and the Pricing Certificate, including any reproduction of an opinion of counsel and information regarding the issuance of any bond insurance policy.

SH 45 frontage roads and Weiss Lane; and (3) professional services including fiscal, engineering, architectural and legal fees and other such costs incurred in connection therewith including the costs of issuing the Certificates.

[Redemption provisions as provided in the Pricing Certificate.*]

DURING ANY PERIOD in which ownership of the Certificates is determined only by a book entry at a securities depository for the Certificates, if fewer than all of the Certificates of the same maturity and bearing the same interest rate are to be redeemed, the particular Certificates of such maturity and bearing such interest rate shall be selected in accordance with the arrangements between the City and the securities depository.

ALL CERTIFICATES OF THIS SERIES are issuable solely as fully registered Certificates, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Certificate Ordinance, this Certificate, or any unredeemed portion hereof, may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate principal amount of fully registered Certificates, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having the same denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Certificate to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Certificate Ordinance. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Certificate or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date; provided, however, such limitation of transfer shall not be applicable to an exchange by the Registered Owner of the unredeemed balance of the Certificate.

WHENEVER the beneficial ownership of this Certificate is determined by a book entry at a securities depository for the Certificates, the foregoing requirements of holding, delivering or transferring this Certificate shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Certificates is changed by the City, resigns, or otherwise ceases to act as such, the City has covenanted in the Certificate Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Certificates.

IT IS HEREBY certified, recited and covenanted that this Certificate has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery of this Certificate have been performed, existed and been done in accordance with law; that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Certificate, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the City, and have been pledged for such payment, within the limit prescribed by law, and that this Certificate, together with other obligations of the City, is additionally secured by and payable from a limited pledge of the surplus revenues of the City's Waterworks and Sewer System, remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve and other requirements in connection with all of the City's revenue bonds or other obligations (now or hereafter outstanding), which are payable from all or part of the Net Revenues of the City's Waterworks and Sewer System, which amount shall not exceed \$5,000, all as provided in the Certificate Ordinance.

BY BECOMING the Registered Owner of this Certificate, the Registered Owner thereby acknowledges all of the terms and provisions of the Certificate Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Certificate Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the City, and agrees that the terms and provisions of this Certificate and the Certificate Ordinance constitute a contract between each Registered Owner hereof and the City.

IN WITNESS WHEREOF, the City has caused this Certificate to be signed with the manual or facsimile signature of the Mayor of the City and countersigned with the manual or facsimile signature of the City Secretary, and has caused the official seal of the City to be duly impressed, or placed in facsimile, on this Certificate.

SECTION 6. TAX LEVY. A special Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created solely for the benefit of the Certificates, and the Interest and Sinking Fund shall be established and maintained by the City at an official depository bank of the City. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the City, and shall be used only for paying the interest on and principal of the Certificates. All ad valorem taxes levied and collected for and on account of the Certificates shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Certificates are outstanding and unpaid, the governing body of the City shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Certificates as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of the Certificates as such principal matures (but never less than 2% of the original principal amount of the Certificates as a sinking fund each year); and the tax shall be based on the latest approved tax rolls of the City, with full allowances being made for tax delinquencies and the cost of tax collection. The rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the City, for each year while any of the Certificates are outstanding and unpaid, and the tax shall be assessed and collected each such year and deposited to the credit of the Interest and Sinking Fund. The ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law. Accrued interest on the Certificates shall be deposited in the Interest and Sinking Fund and used to pay interest on the Certificates.

Chapter 1208, Texas Government Code, applies to the issuance of the Certificates and the pledge of the ad valorem taxes and Surplus Revenues granted by the City under this Section and

Section 8 of this Ordinance, and is therefore valid, effective, and perfected. If Texas law is amended at any time while the Certificates are outstanding and unpaid, such that the pledge of the ad valorem taxes and Surplus Revenues granted by the City under this Section and Section 8 of this Ordinance is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then, in order to preserve to the Owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 7. REVENUES. The Certificates together with other obligations of the City, are additionally secured by and shall be payable from and secured by a limited pledge of the surplus revenues of the City's Waterworks and Sewer System, after payment of all operation and maintenance expenses or collections thereof, and all debt service, reserve and other requirements in connection with all of the City's revenue bonds or other obligation (now or hereafter outstanding) which are payable from all or any part of the revenues of the City's Waterworks and Sewer System, which amount shall not exceed \$5,000, with such amount constituting "Surplus Revenues." The City shall deposit such Surplus Revenues to the credit of the Interest and Sinking Fund created pursuant to Section 6, to the extent necessary to pay the principal and interest on the Certificates. Notwithstanding the requirements of Section 6, if Surplus Revenues are actually on deposit or budgeted for deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes which otherwise would have been required to be levied pursuant to Section 6 may be reduced to the extent and by the amount of the Surplus Revenues then on deposit in the Interest and Sinking Fund or budgeted for deposit therein.

The Mayor and the City Secretary are hereby ordered to do any and all things necessary to accomplish the transfer of monies to the Interest and Sinking Fund of this issue in ample time to pay such items of principal and interest.

SECTION 8. DEFEASANCE OF CERTIFICATES. (a) Any Certificate and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Certificate") within the meaning of this Ordinance, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Certificate, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption or the establishment of irrevocable provisions for the giving of such notice) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or an eligible trust company or commercial bank for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the City with the Paying Agent/Registrar or an eligible trust company or commercial bank for the payment of its services until all Defeased Certificates shall have become due and payable or (3) any combination of (1) and (2). At such time as a Certificate shall be deemed to be a Defeased Certificate hereunder, as aforesaid, such Certificate and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes or revenues herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities, and thereafter the City will have no further responsibility with respect to amounts available to such Paying Agent/Registrar (or other financial institution permitted by applicable law) for the payment of

such Defeased Certificate, including any insufficiency therein caused by the failure of the Paying Agent/Registrar (or other financial institution permitted by law) to receive payment when due on the Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Certificate as aforesaid when proper notice of redemption of such Certificates shall have been given or upon the establishment of irrevocable provisions for the giving of such notice, in accordance with this Ordinance. Any money so deposited with the Paying Agent/Registrar or an eligible trust company or commercial bank as provided in this Section may at the discretion of the City Council also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section which is not required for the payment of such Certificate and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be remitted to the City Council.

(c) Notwithstanding any provision of any other Section of this Ordinance which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Certificates and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Certificates and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Certificates shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Certificates the same as if they had not been defeased, and the City shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(d) Notwithstanding anything elsewhere in this Ordinance, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section for the payment of Certificates and such Certificates shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Certificate affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Certificate to be paid at its maturity, the City retains the right under Texas law to later call that Defeased Certificate for redemption in accordance with the provisions of this Ordinance, the City may call such Defeased Certificate for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Certificate as though it was being defeased at the time of the exercise of the option to redeem the Defeased Certificate and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Certificate.

As used in this Section, "Defeasance Securities" means (i) Federal Securities, (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the City Council adopts or approves proceedings authorizing the issuance of refunding bonds or otherwise provide for the funding of an escrow to effect the defeasance of the Certificates are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its

equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the City Council adopts or approves proceedings authorizing the issuance of refunding bonds or otherwise provide for the funding of an escrow to effect the defeasance of the Certificates, are rated as to investment quality by a nationally recognized investment rating firm no less than "AAA" or its equivalent and (iv) any other then authorized securities or obligations under applicable State law that may be used to defease obligations such as the Certificates. The foregoing notwithstanding, the Pricing Officer may elect in the Pricing Certificate to modify the definition of "Defeasance Securities" by eliminating any securities or obligations set forth in the preceding sentence upon determining that it is in the best interests of the City to do so.

"Federal Securities" as used herein means direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America.

SECTION 9. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CERTIFICATES. (a) Replacement Certificates. In the event any outstanding Certificate is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new Certificate of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Certificate, in replacement for such Certificate in the manner hereinafter provided.

(b) Application for Replacement Certificates. Application for replacement of damaged, mutilated, lost, stolen or destroyed Certificates shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Certificate, the Registered Owner applying for a replacement Certificate shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Certificate, the Registered Owner shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Certificate, as the case may be. In every case of damage or mutilation of a Certificate, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Certificate so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Certificate shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Certificate, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Certificate) instead of issuing a replacement Certificate, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Certificates. Prior to the issuance of any replacement certificate, the Paying Agent/Registrar shall charge the Registered Owner of such Certificate with all legal, printing, and other expenses in connection therewith. Every replacement certificate issued pursuant to the provisions of this Section by virtue of the fact that any Certificate is lost, stolen or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen or destroyed Certificate shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Certificates duly issued under this Ordinance.

(e) Authority for Issuing Replacement Certificates. In accordance with Subchapter B of Chapter 1206, Texas Government Code, as amended, this Section shall constitute authority for the issuance of any such replacement Certificate without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such Certificates is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Certificates in the form and manner and with the effect, as provided in Section 4(a) of this Ordinance for Certificates issued in conversion and exchange for other Certificates.

SECTION 10. CUSTODY, APPROVAL, AND REGISTRATION OF CERTIFICATES; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The Mayor of the City is hereby authorized to have control of the Initial Certificate issued and delivered hereunder and all necessary records and proceedings pertaining to the Certificates pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Certificates the Comptroller of Public Accounts (or a deputy designated in writing to act for the Comptroller) shall manually sign the Comptroller's Registration Certificate attached to the Initial Certificate, and the seal of the Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the City's bond counsel and the assigned CUSIP numbers may, at the option of the City, be printed on the Certificates issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owners of the Certificates. In addition, if bond insurance or other credit enhancement is obtained, the Certificates may bear an appropriate legend.

The obligation of the initial purchaser to accept delivery of the Certificates is subject to such purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the City, which opinion shall be dated as of and delivered on the date of initial delivery of the Certificates to the initial purchaser. The engagement of such firm as bond counsel to the City in connection with issuance, sale and delivery of the Certificates is hereby approved and confirmed. The execution and delivery of an engagement letter, to the extent desired by the City, between the City and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Mayor, and the Mayor is hereby authorized to execute such engagement letter. Additionally, a closing instruction letter executed or approved by an authorized representative of the City shall further provide for the fees and expenses to be paid for such bond counsel services.

SECTION 11. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE CERTIFICATES. (a) Covenants. The City covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Certificates as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly,

secure or provide for the payment of more than 10 percent of the debt service on the Certificates, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Certificates (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Certificates being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Certificates being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Certificates, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Certificates, other than investment property acquired with --

(A) proceeds of the Certificates invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the Certificates are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Certificates;

(7) to otherwise restrict the use of the proceeds of the Certificates or amounts treated as proceeds of the Certificates, as may be necessary, so that the Certificates do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Certificates or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Certificates in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Certificates) an amount that is at least equal

to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Certificates have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (9), a "Rebate Fund" is hereby established by the City for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the certificate holders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bond, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Certificates. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Certificates, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Certificates, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the City Manager or an Assistant City Manager to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the City, which may be permitted by the Code as are consistent with the purpose for the issuance of the Certificates. This Ordinance is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

(d) Allocation Of, and Limitation On, Expenditures for the Project. The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Ordinance (the "Project") on its books and records in accordance with the requirements of the Code. The City recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the City recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Certificates, or (2) the date the Certificates are retired. The City agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Certificates. For purposes of this subsection, the City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The City covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Certificates. For purposes of this subsection, the portion of the property comprising personal property and disposed of in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

SECTION 12. ALLOCATION OF PROCEEDS. The proceeds of the Certificates, including the par amount of the Certificates and any net premium derived from the sale of the Certificates, shall be allocated as set forth in the Pricing Certificate.

SECTION 13. DEFAULT AND REMEDIES. (a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Certificates when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the City, the failure to perform which materially, adversely affects the rights of the Registered Owners of the Certificates, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the City.

(b) Remedies for Default.

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the City, or any official, officer or employee of the City in their official capacity, for the purpose of protecting and enforcing the rights of the Registered Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Certificates then outstanding.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Certificates or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other

provision of this Ordinance, the right to accelerate the debt evidenced by the Certificates shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Certificate authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the City or the City Council.

(iv) None of the members of the City Council, nor any other official or officer, agent, or employee of the City, shall be charged personally by the Registered Owners with any liability, or be held personally liable to the Registered Owners under any term or provision of this Ordinance, or because of any Event of Default or alleged Event of Default under this Ordinance.

SECTION 14. ESTABLISHMENT OF PROJECT FUND. (a) Project Fund. The Series 2023A Certificate Project Fund is hereby created and shall be established and maintained by the City at an official depository bank of the City. Proceeds from the sale of the Certificates shall be deposited in the Project Fund.

(b) Investment of Funds. The City hereby covenants that the proceeds of the sale of the Certificates will be used as soon as practicable for the purposes for which the Certificates are issued. Obligations purchased as an investment of money in any fund shall be deemed to be a part of such fund. Any money in any fund created by this Ordinance may be invested as permitted by the Public Funds Investment Act, as amended and the City's Investment Policy.

(c) Security for Funds. All funds created by this Ordinance shall be secured in the manner and to the fullest extent required by law for the security of funds of the City.

(d) Maintenance of Funds. Any funds created pursuant to this Ordinance may be created as separate funds or accounts or as subaccounts of the City's General Fund held by the City's depository, and, as such, not held in separate bank accounts, such treatment shall not constitute a commingling of the monies in such funds or of such funds and the City shall keep full and complete records indicating the monies and investments credited to each such fund.

(e) Interest Earnings. Interest earnings derived from the investment of proceeds from the sale of the Certificates shall be used along with the Certificate proceeds for the purpose for which the Certificates are issued as set forth in Section 1 hereof or to pay principal or interest payments on the Certificates; provided that after completion of such purpose, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on Certificate proceeds which are required to be rebated to the United States of America pursuant to Section 11 hereof in order to prevent the Certificates from being arbitrage certificates shall be so rebated and not considered as interest earnings for the purposes of this Section.

SECTION 15. APPROVAL OF OFFERING DOCUMENTS. The Pricing Officer is hereby authorized to approve a Preliminary Official Statement, an Official Statement relating to the Certificates and any addenda, supplement or amendment thereto and to deem such documents final in accordance with SEC Rule 15c2-12, if the Certificates are sold in a public offering. The City further approves the distribution of such Official Statement in the reoffering of the Certificates by the underwriters or initial purchasers in final form, with such changes therein or additions thereto as the Pricing Officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The Pricing Officer is authorized to find and determine that the Preliminary Official Statement and final Official Statement were "deemed final" (as that term is defined in 17 CFR Section 240.15c(2)-12) as of their respective dates.

SECTION 16. APPROVAL OF PAYING AGENT/REGISTRAR AGREEMENT. The Paying Agent/Registrar Agreement by and between the City and the Paying Agent/Registrar ("Paying Agent Agreement") in substantially the form and substance previously approved by the City Council in connection with previous transactions is hereby approved and the Pricing Officer is hereby authorized and directed to complete, amend, modify and execute the Paying Agent Agreement as necessary, and the City Secretary is hereby authorized to attest such agreement. The Pricing Officer is hereby authorized to select an eligible bank, trust company, financial institution, or other eligible entity act as paying agent and registrar for the Certificates in accordance with the terms of this Ordinance.

SECTION 17. CONTINUING DISCLOSURE UNDERTAKING. The Pricing Officer shall designate in the Pricing Certificate whether or not the provisions of this Section with respect to the City's continuing disclosure undertaking will apply to the Certificates. In the event the Pricing Officer affirmatively elects that the City will make a continuing disclosure undertaking pursuant to the Rule in connection with the issuance of the Certificates, the following provisions shall be effective with respect to the Certificates, unless modified by the Pricing Officer in the Pricing Certificate as necessary to facilitate the sale of the Certificates:

(a) Annual Reports. The City shall provide annually to the MSRB, (1) within twelve months after the end of each fiscal year of the City ending in or after 2023, financial information and operating data with respect to the City of the general type included in the final Official Statement authorized by Section 15 of this Ordinance, being information of the type described in the Pricing Certificate, including financial statements of the City if audited financial statements of the City are then available, and (2) if not provided as part of such financial information and operating data, audited financial statements of the City, when and if available. Any financial statements to be provided shall be (i) prepared in accordance with the accounting principles described in described in the Pricing Certificate, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and in substantially the form included in the Official Statement, and (ii) audited, if the City commissions an audit of such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within 12 months after any such fiscal year end, then the City shall file unaudited financial statements within such 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available.

If the City changes its fiscal year, it will file notice of the change (and of the date of the new

fiscal year end) with the MSRB prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

(b) Event Notices. The City shall file notice of any of the following events with respect to the Certificates with the MSRB in a timely manner and not more than 10 business days after the occurrence of the event:

- (7) Modifications to rights of holders of the Certificates, if material;
- (8) Certificate calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Certificates, if material;
- (11) Rating changes;
- (12) Bankruptcy, insolvency, receivership, or similar event of the City;
- (13) The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material;

- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the City, any of which

reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers of the City in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City, and (b) the City intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The City shall file notice with the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection.

(c) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an "obligated person" with respect to the Certificates within the meaning of the Rule, except that the City in any event will give notice of any deposit that causes the Certificates to be no longer outstanding in accordance with Section 8 of this Ordinance.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City makes no representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount of the outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Certificates. The City may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the City also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates, giving effect to (i) such provisions as so amended and (ii) any amendments or interpretations of the Rule. If the City so amends the provisions of this Section, the City shall include with any amended financial information or operating data next provided in accordance with this subsection (a) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

(d) Format, Identifying Information, and Incorporation by Reference. All financial information, operating data, financial statements, and notices required by this Section to be provided to the MSRB shall be provided in an electronic format and be accompanied by identifying information prescribed by the MSRB.

Financial information and operating data to be provided pursuant to subsection (a) of this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public on the MSRB's Internet Web site or filed with the SEC.

(e) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

"*Financial Obligation*" means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that "financial obligation" shall not include municipal securities (as defined in the Securities Exchange Act of 1934, as amended) as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

"*MSRB*" means the Municipal Securities Rulemaking Board.

"Rule" means SEC Rule 15c2-12, as amended from time to time.

SECTION 18. AMENDMENT OF ORDINANCE. The City hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to-wit:

(a) The City may from time to time, without the consent of any holder, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the holders, (ii) grant additional rights or security for the benefit of the holders, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders, (iv) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, (v) obtain insurance or ratings on the Certificates, (vi) obtain the approval of the Attorney General of the State Texas, or (vii) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be inconsistent with the provisions of this Ordinance and that shall not in the opinion of the City's bond counsel materially adversely affect the interests of the holders.

(b) Except as provided in paragraph (a) above, any bond insurer of the Certificates (the "Bond Insurer") and the holders of Certificates aggregating in principal amount 51% of the aggregate principal amount of then outstanding Certificates that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the City; provided, however, that without the consent of 100% of the holders in aggregate principal amount of the then outstanding Certificates and the Bond Insurer, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Certificates so as to:

- (1) Make any change in the maturity of any of the outstanding Certificates;
- (2) Reduce the rate of interest borne by any of the outstanding Certificates;
- (3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Certificates;
- (4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Certificates or any of them or impose any condition with respect to such payment; or
- (5) Change the minimum percentage of the principal amount of any series of Certificates necessary for consent to such amendment.

(c) If at any time the City shall desire to amend this Ordinance under this Section, the City shall send by U.S. mail to each registered owner of the affected Certificates a copy of the proposed amendment and cause notice of the proposed amendment to be published at least once in a financial publication published in The City of New York, New York or in the State of Texas. Such

published notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the office of the City for inspection by all holders of such Certificates.

(d) Whenever at any time within one year from the date of publication of such notice the City shall receive an instrument or instruments executed by the holders of at least 51% in aggregate principal amount of all of the Certificates then outstanding that are required for the amendment, which instrument or instruments shall refer to the proposed amendment and that shall specifically consent to and approve such amendment, the City may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and the respective rights, duties, and obligations of the City and all holders of such affected Certificates shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the holder of a Certificate pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the publication of the notice provided for in this Section, and shall be conclusive and binding upon all future holders of the same Certificate during such period. Such consent may be revoked at any time after six months from the date of the publication of said notice by the holder who gave such consent, or by a successor in title, by filing notice with the City, but such revocation shall not be effective if the holders of 51% in aggregate principal amount of the affected Certificates then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

SECTION 19. NO RECOURSE AGAINST CITY OFFICIALS. No recourse shall be had for the payment of principal of or interest on any Certificates or for any claim based thereon or on this Ordinance against any official of the City or any person executing any Certificates.

SECTION 20. PAYMENT OF ATTORNEY GENERAL FEE. The City hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of the Certificates or (ii) \$9,500, provided that such fee shall not be less than \$750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The appropriate member of the City's staff is hereby instructed to take the necessary measures to make this payment. The City is also authorized to reimburse the appropriate City funds for such payment from proceeds of the Certificates.

SECTION 21. FURTHER ACTIONS. The officers and employees of the City are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Certificates, the initial sale and delivery of the Certificates, the Paying Agent/Registrar Agreement, the Purchase Agreement, any insurance commitment letter or insurance policy and the Official Statement. In addition, prior to the initial delivery of the Certificates, the Mayor, the City Manager or Assistant City Manager, the City Attorney and bond counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or

more completely document the transactions contemplated and approved by this Ordinance and as described in the Official Statement, (ii) obtain a rating from any of the national bond rating agencies or satisfy requirements of the Bond Insurer or (iii) obtain the approval of the Certificates by the Texas Attorney General's office.

In case any officer of the City whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 22. INTERPRETATIONS. All terms defined herein and all pronouns used in this Ordinance shall be deemed to apply equally to singular and plural and to all genders. The titles and headings of the articles and sections of this Ordinance have been inserted for convenience of reference only and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof. This Ordinance and all the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein and to sustain the validity of the Certificates and the validity of the lien on and pledge of the ad valorem taxes and Surplus Revenues granted by the City under Sections 6 and 7 of this Ordinance to secure the payment of the Certificates.

SECTION 23. INCONSISTENT PROVISIONS. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 24. INTERESTED PARTIES. Nothing in this Ordinance expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City and the registered owners of the Certificates, any right, remedy or claim under or by reason of this Ordinance or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Ordinance contained by and on behalf of the City shall be for the sole and exclusive benefit of the City and the registered owners of the Certificates.

SECTION 25. SEVERABILITY. The provisions of this Ordinance are severable; and in case any one or more of the provisions of this Ordinance or the application thereof to any person or circumstance should be held to be invalid, unconstitutional, or ineffective as to any person or circumstance, the remainder of this Ordinance nevertheless shall be valid, and the application of any such invalid provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby.

SECTION 26. REPEALER. All orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent of such inconsistency.

SECTION 27. EFFECTIVE DATE. This Ordinance shall become effective upon the final passage of this Ordinance, and no petition was received from the qualified electors of the City protesting the issuance of such Certificates.
