**Quotes Good For 30 Days!**

ITEM	QTY	DESCRIPTION	EACH	TOTAL
------	-----	-------------	------	-------

Pricing may not be guaranteed beyond 30 days. We are attempting to hold pricing when possible but due to material and labor cost, price increases have unfortunately become unavoidable. We value our customers and appreciate your understanding during these unprecedented times! All finalized contracts and / or purchase orders must be accompanied by a valid quote within 30 days of issue. Please request a new quote when beyond the 30 days. Orders must ship when the factory is ready to ship.

While supply chain issues are improving, we're still seeing extended lead times. For many of our partners we're experiencing lead times beyond 14 weeks. Manufacturers are working to shorten these as quickly as possible but there are lots of elements involved so it's unfortunately not a quick fix. Again, we appreciate your understanding!
