AGREEMENT

NOW THEREFORE, in consideration of the mutual benefits received by both Parties and the public under the terms of this Agreement, the receipt of which is hereby acknowledged, the Parties agree as follows:

1. ACCEPTANCE; USER'S ACCESS TO TRUNKED RADIO SYSTEM

- 1.1 This Agreement, including <u>Attachments A and B</u>, is a contract for LCRA to provide Services (as defined below) and equipment to USER when accepted in writing by an authorized representative of USER. It is agreed that the provision of Services is made only on the terms and conditions herein. LCRA shall not be bound by the terms and conditions in USER's purchase order or elsewhere unless expressly agreed to in writing. In the absence of written acceptance of these terms, acceptance of Services hereunder shall constitute an acceptance of these terms and conditions by USER.
- 1.2 Access to the Trunked Radio System consists of USER's right to use certain facilities and capabilities of the Trunked Radio System, as described in the Attachments ("Radio Services"), in consideration for USER's payment of the monthly service and usage fees as set out in the Radio System Pricing Schedule and Participant Information Sheet (Attachment A). Only the features and capabilities selected by USER shall be enabled. Changes or modifications to Radio Services provided hereunder may require modification of system parameters, which will be subject to Additional Service (as defined below) charges as set forth in a separate quote, proposal, or estimate. Upon the Effective Date of this Agreement, USER's equipment will be activated following: (i) registration of LCRA-authorized identification numbers of each USER unit, and (ii) LCRA's certification of the equipment installation and operator training.

1.3 USER expressly understands that LCRA, as an FCC licensee, will supervise USER's activities pursuant to this Agreement, and that LCRA will retain control over all aspects of the operation of the Trunked Radio System, as required of a licensee under the FCC's rules and regulations. USER expressly acknowledges that all shared transmitters must be subject to LCRA's control.

2. SERVICES; COST-SHARED BASIS FOR RADIO SERVICES

- 2.1 RADIO SERVICES. USER may select from the menu of Radio Services offered by LCRA which are set forth on the Radio System Pricing Schedule and Participant Information Sheet (Attachment A). The Radio System Pricing Schedule and Participant Information Sheet (Attachment A) may be amended from time to time upon mutual agreement of the Parties provided that such amendments are in writing and signed by authorized representatives of USER and LCRA. USER agrees to pay for the Radio Services and features indicated on the Radio System Pricing Schedule and Participant Information Sheet (Attachment A), on a non-profit, cost-shared basis in accordance with Section 90.179 of the rules of the FCC, 47 C.F.R § 90.179. USER shall be billed in accordance with Section 3 of this Agreement.
- 2.2 All Radio Service fees to be paid to LCRA by User are intended to recover a portion of the operation and maintenance expenses and capital expenditures associated with the Trunked Radio System.
- 2.3 ADDITIONAL SERVICES. In addition to the Radio Services described above, LCRA is able to procure equipment and provide installation, maintenance, and related services under this Agreement ("<u>Additional Services</u>") (Additional Services together with Radio Services, are referred to herein as the "<u>Service</u>" or "<u>Services</u>"). These Additional Services shall be performed either by LCRA's personnel or through independent contractors hired by LCRA. The cost of equipment User has agreed to purchase shall be set forth in the respective quote, proposal or estimate sent by LCRA to USER

3. SERVICE RATES, CHARGES AND TERMS

3.1 Radio Service

- 3.1.1 LCRA shall provide the Radio Services selected by USER on the Radio System Pricing Schedule and Participant Information Sheet (<u>Attachment A</u>) at the rates and charges shown therein. The Radio System Pricing Schedule and Participant Information Sheet (<u>Attachment A</u>) shall include: (i) USER's monthly Radio Service fee for use of the Trunked Radio System, and (ii) rates and charges for optional features. USER shall notify LCRA in writing within thirty (30) calendar days of any changes in the number of radios or equipment on which it is receiving Radio Service; such notice shall only be considered valid if provided to LCRA on the form attached hereto as <u>Attachment B</u>.
- 3.1.2 It is agreed that LCRA may at any time modify the fees and rates included in the Radio System Pricing Schedule and Participant Information Sheet (<u>Attachment A</u>) by giving USER written notice of the modified amount at least sixty (60) days in advance

of the date on which the modified fees are to become effective. However, during the Initial Term (as defined below), fees and costs for Radio Service in effect on the Effective Date of this Agreement shall not be increased except by mutual agreement of the Parties.

3.2 Additional Services

- 3.2.1 The charges, costs and fees for Additional Services shall be set out on separate quotes, proposals or estimates to be sent by LCRA to USER.
- 3.3 Invoicing. The monthly Radio Service fee associated with USER's access to the Trunked Radio System shall be invoiced at the end of each monthly billing cycle (the "Monthly Radio Service Invoice"). LCRA may also include on a Monthly Radio Service Invoice any fees, charges or costs for Additional Services provided by LCRA to USER. However, Additional Services may be invoiced separately from the Monthly Radio Service Invoice. Payment for any invoice sent by LCRA to USER under this Agreement (whether that is a Monthly Radio Service Invoice, a separate invoice for Additional Services, an invoice containing both, or other) shall be due within thirty (30) days of receipt of such invoice by USER. Late payments shall be subject to interest or reasonable service charges. The User acknowledges that any payments made under this Agreement are made from current revenues available to it as required by the Interlocal Cooperation Act. Any disputes related to invoiced amounts must be submitted by the USER to LCRA in writing within 30 days of receipt of the disputed invoice. Failure of LCRA to send or for USER to receive an invoice shall not relieve USER from payment of any fees due.

4. MAINTENANCE OF USER EQUIPMENT

4.1 FCC regulations and proper operation and maintenance of the Trunked Radio System require periodic equipment testing for certain components of the Trunked Radio System. USER agrees to allow LCRA access to USER's equipment for frequency and channel maintenance checks of Trunked Radio System units at any reasonable time and place as requested by LCRA. USER shall pay LCRA for such maintenance in accordance with such reasonable charges and costs to be determined at such time and to be set forth in a separate quote, proposal or estimate. At USER's option, USER shall have the right to engage other maintenance suppliers, subject to LCRA's approval, to maintain USER's equipment in accordance with the regulations of the FCC and the proper operation and maintenance of the Trunked Radio System. USER acknowledges that LCRA will supervise the technical aspects of USER's activities or other maintenance suppliers in accordance with Section 1.3.

5. EXPANSION OF TRUNKED RADIO SYSTEM

5.1 LCRA may, at its sole and exclusive discretion, provide Radio Services to other participants on the Trunked Radio System. The provision of Radio Services to other participants and expansion of the system will not diminish the capability of USER to use the Trunked Radio System as contemplated in this Agreement. USER acknowledges and agrees that LCRA has or will expand the area covered by its Trunked Radio System. The execution of agreements with other participants may, at the sole option of LCRA, expand

the area covered by the Trunked Radio System and may also result in the availability of additional Radio Services to some or all participants. USER acknowledges that LCRA has previously entered into other Interlocal Cooperation Agreements for Mobile Radio Services and Equipment or similar agreements to provide Radio Services to certain governmental entities and other utilities and intends to expand the number of users by entering into new agreements in the future.

6. TERM - AUTOMATIC RENEWAL

- 6.1 The initial term of this Agreement shall commence on the Effective Date and shall terminate three (3) years after the Effective Date (the "<u>Initial Term</u>"), unless automatically extended as provided below. This Agreement shall automatically extend beyond the Initial Term under the terms and conditions, rates, and charges then in effect for successive one (1) year periods provided that either Party may terminate this Agreement: (i) at the end of the Initial Term of this Agreement by giving to the other party written notice at least ninety (90) days prior to the end of the Initial Term or (ii) by giving to the other party written notice at least ninety (90) days prior to the end of any one (1) year extension; and, provided further, that this Agreement shall terminate automatically if the frequency authorization(s) (which may be held by LCRA) under which USER then presently operates is (are) terminated or are revoked by the FCC or otherwise.
- 6.2 The rates, charges, and fees due and payable by USER for any annual extension shall be the same as made during the preceding term unless LCRA notifies USER of any changes pursuant to the provisions of Section 3.1.2 for Radio Service.
- 6.3 Funding. If USER funds are utilized to fund any part of this Agreement, LCRA understands that those USER funds for the payment for Services provided by LCRA under this Agreement have been provided through USER's budget approved by its City Council (or other governing body) for the current fiscal year only. State statutes prohibit the obligation and expenditure of public funds beyond the fiscal year for which a budget has been approved. USER cannot guarantee the availability of funds, and enters into this Agreement only to the extent such funds are made available. LCRA acknowledges and agrees that it will have no recourse against USER for its failure to appropriate funds for the purposes of this Agreement in any fiscal year other than the year in which this Agreement was executed.

7. SERVICE INTERRUPTIONS; INTERFERENCE

7.1 LCRA shall have the right, in cooperation with USER's needs, to plan and schedule system outages for purposes of system maintenance, equipment calibration, and similar necessities. Except for such planned outages, LCRA shall credit USER with one day of Radio Service for any Radio Service outage that exceeds four (4) hours in duration, provided that USER promptly notifies LCRA of the outage. If a Radio Service outage exceeds twenty-four (24) hours, LCRA shall credit USER a full day for each partial day of outage. Credit for outages, which shall be subject to LCRA's verification, shall appear in the monthly invoice.

- 7.2 In the event of an emergency, as declared by LCRA or LCRA's Trunked Radio System administrator, LCRA reserves the right to reallocate Radio Service priorities for the duration of the emergency.
- 7.3 USER agrees to refrain from any action, mode of operation, or equipment configuration that interferes with or causes signal degradation with the Trunked Radio System, and to notify LCRA of any conditions likely to cause interference.

8. ASSIGNMENT; SUBCONTRACT; NO THIRD-PARTY BENEFICIARIES

8.1 This Agreement is a privilege for the personal benefit of USER and may not be assigned in whole or in part by USER to any other person or entity without the prior written consent of LCRA, and provided that no such assignment of this Agreement shall be effective unless assignee shall assume in writing the obligations of the assignor under this Agreement or enters into a new written agreement with LCRA. LCRA reserves the right to assign this Agreement or subcontract any of its obligations hereunder. This Agreement is entered into for the sole benefit of the Parties. Nothing in this Agreement shall be construed as conferring any rights, benefits, remedies, or claim upon any person or entity not a Party to this Agreement. Any assignment entered into in violation of the provisions of this Section shall be void.

9. COVERAGE

- 9.1 USER acknowledges that one hundred percent (100%) radio signal coverage at all times for the areas covered by the Radio Services being provided under this Agreement is both improbable and impracticable. Testing and experience with actual field conditions indicate adverse radio wave propagation conditions, such as short-term unpredictable meteorological effects and sky wave interference from distant stations, can interrupt Radio Services at any time. USER agrees that such events are beyond the reasonable control of LCRA, and agrees that other causes beyond the reasonable control of LCRA include, but are not limited to, motor ignition and other electrical noise that could be minimized by corrective devices at USER's expense. Satisfactory communication performance is generally viewed as intelligible reception over rolling terrain approximately ninety percent (90%) of the time, though LCRA is under no obligation hereunder to provide such communication performance.
- 9.2 USER further acknowledges and agrees that LCRA is not providing a warranty of radio signal coverage and that the inability of LCRA to provide such radio signal coverage will be subject to the limitation of liability set forth in Sections 12, 13, and 14.

10. DEFAULT AND REMEDIES

10.1 If USER fails to timely make any payment of any sum due or fails to perform as required by any other provision hereunder, and continues in such failure for fifteen (15) days after written notice has been sent by LCRA to USER of such breach, USER shall be deemed in default under this Agreement. If a Party should be in default and if the other Party

has performed all of its material obligations hereunder, the non-defaulting Party shall deliver written notice to the defaulting Party describing such default. If the default continues for more than one month after delivery of the notice (or such time as necessary to correct the default with due diligence), the non-defaulting Party may immediately terminate this Agreement and pursue its remedies as provided below or as otherwise provided at law or in equity.

- 10.2 Notwithstanding the above, LCRA shall have the right to immediately terminate USER's Service at any time for USER's failure to use the Trunked Radio System in accordance with rules and regulations of the FCC or USER's failure to use the Trunked Radio System in accordance with applicable laws and regulations. In the event of termination as herein provided, all accrued and unpaid charges shall be due and payable immediately.
- 10.3 In the event LCRA has the right to immediately terminate either Service in its entirety or, as to USER, this Agreement, LCRA may retain all payments made hereunder, disconnect and deny USER any Service provided by the Trunked Radio System or equipment identified herein, and impose a separate charge for disconnect and a separate charge for any reconnect expenses. If disconnect takes place and the equipment requires reprogramming, USER will also be subjected to additional costs for reprogramming its equipment. Each and all of the rights and remedies of LCRA hereunder are cumulative to and not in lieu of each and every other such right and remedy and every other right and remedy afforded by law and equity.

11. WARRANTIES

- 11.1 LCRA warrants that its management and operation of the Trunked Radio System will comply with reasonable and standard industry practices. LCRA further warrants that it will operate the Trunked Radio System in compliance with all applicable statutes, laws, ordinances, rules and regulations, including, but not limited to, those of the FCC (such as frequency and eligibility requirements).
- 11.2 USER agrees (a) to observe and abide by all applicable statutes, laws, ordinances, rules and regulations, including but not limited to those of the FCC (such as waiver and eligibility requirements), and (b) to operate the equipment so as not to cause undue interference with any other participants using the Trunked Radio System. LCRA will provide USER with copies of the relevant FCC rules and compliance information upon request. USER recognizes that applicable FCC rules and other statutes, laws, ordinances, rules and regulations may change from time to time and that, accordingly, LCRA in its sole discretion has the right without liability to modify this Agreement to comply with any such changes. USER further warrants to LCRA that it will operate the equipment for the purposes contemplated by this Agreement, and that USER shall not resell Radio Service, interconnect, nor patch any equipment with another radio user or another radio system without written consent of LCRA.
 - 11.3 No other warranties, express or implied, are given by either Party.

12. DISCLAIMER OF WARRANTIES; LIMITATION OF REMEDIES

- 12.1 USER acknowledges and agrees that LCRA is not the manufacturer of equipment, and LCRA hereby disclaims all representations and warranties, direct or indirect, express or implied, written or oral, in connection with the equipment or Service (whether purchased or leased by USER from LCRA or another), including but not limited to any and all express and implied warranties of suitability, durability, merchantability, and fitness for a particular purpose. LCRA, to the extent permitted by law, assigns to USER any and all manufacturers' warranties relating to equipment purchased by LCRA, if any, and USER acknowledges receipt of any and all such manufacturers' warranties.
- 12.2 USER acknowledges and agrees that its sole and exclusive remedy in connection with any defects in any equipment, including manufacture or design, shall be against the manufacturer of the equipment under the manufacturers' warranties and that LCRA shall have no liability to USER in any event for any loss, damage, injury, or expense of any kind or nature related directly or indirectly to any equipment or service provided hereunder. Without limiting the above, LCRA shall have no liability or obligation to USER, in either contract or tort or otherwise, for special, incidental, indirect, punitive or consequential damages of any kind incurred by USER, such as, but not limited to, claims or damages for personal injury, wrongful death, loss of use, loss of anticipated profits, or other incidental or consequential damages or economic losses of any kind incurred by USER directly or indirectly resulting from or related to any equipment or Service described hereunder, whether or not caused by LCRA's negligence, to the full extent same may be disclaimed by law. Any references to equipment in this paragraph shall be deemed to apply to all equipment purchased by USER or leased by USER from LCRA, if any, or another lessor. Notwithstanding the above limitations, LCRA shall be liable for the cost of restoration, repair, or replacement of any USER-owned facilities to the extent such facilities are damaged or destroyed as a direct result of a grossly negligent or willful act of LCRA.

13. INTERRUPTION OF SERVICE; FORCE MAJEURE

13.1 Except for actions required by this Agreement, LCRA shall not be liable to USER or any other person for any loss or damage, regardless of cause. LCRA shall not be responsible or liable for any delay or failure in its performance under this Agreement to the extent such delay or failure is caused by conditions or events of Force Majeure. The term "Force Majeure" means causes or events beyond the reasonable control of, and without the fault or negligence of the party claiming Force Majeure, including (to the extent satisfying the foregoing requirements) (i) acts of God or sudden actions of the elements such as floods, earthquakes, hurricanes, tornadoes, ice storms, or wildfires; (ii) terrorism; war; riots; blockades; insurrection; strike at a regional level; a slow down or labor disruptions at a regional level (even if such difficulties could be resolved by conceding to the demands of a labor group); (iii) any action by a governmental or regulatory entity, including ERCOT or the PUCT; and (iv) pandemic, including the current Coronavirus Disease 2019 outbreak. In the event of any failure or delay attributable to the fault of LCRA or its subcontractors, USER's sole remedy shall be limited to a credit for Radio Service as is more fully described in Section 7.1.

14. LIMITATIONS OF LIABILITY; INDEMNIFICATION

- 14.1 USER understands that (a) alternative means of communication are available to USER; (b) occasional interruption or irregularities in the Service may occur; and (c) any potential harm from interruptions or irregularities in the Service is speculative in nature. LCRA cannot offer the Service at rates which reflect its value to each user, and LCRA assumes no responsibility other than that contained in this Agreement. Accordingly, USER agrees that, except as limited by law, LCRA' sole liability for loss or damage arising out of mistakes, omissions interruptions, delays, errors, or defects in the Service or transmission of Service provided by LCRA or any carrier, or for losses or damages arising out of the failure of LCRA or any carrier to maintain proper standards or maintenance and operation shall be a credit for Radio Service as set forth in Section 7.1. Notwithstanding any other provisions of this Agreement, neither Party shall be liable to the other for any special, incidental, consequential, punitive or indirect damages or for any loss of use, revenue, or profit suffered by the other Party, its successors or assigns, customers or affiliates in connection with any breach of obligation under this Agreement, nor as a result of premises defect, condition or use of real or personal property, interference, failure or unavailability of any equipment, facility or Service to be provided by LCRA under this Agreement, or under any other circumstance.
- 14.2 USER acknowledges that the Radio Service provided hereunder uses radio channels to transmit voice and data communications and that the Radio Service may not be completely private. LCRA is not liable to USER for any claims, loss, damages or cost which may result from lack of privacy on the system.
- 14.3 <u>USER HEREBY AGREES TO INDEMNIFY AND SAVE LCRA HARMLESS</u> AGAINST CLAIMS FOR LIBEL, SLANDER, INFRINGEMENT OR COPYRIGHT FROM THE MATERIAL, IN ANY FORM, TRANSMITTED OVER THE RADIO SYSTEM BY USER OR THOSE USING USER'S EQUIPMENT; AGAINST CLAIMS FOR ARISING INFRINGEMENT OF **PATENTS** FROM COMBINING OR APPARATUS OR SYSTEMS OF USER WITH THE FACILITIES OF LCRA OR ANY CARRIER; AND AGAINST ALL OTHER CLAIMS ARISING OUT OF ANY ACT OR OMISSION OF USER IN CONNECTION WITH THE FACILITIES OR SERVICE PROVIDED BY LCRA.

LCRA is not liable for any defacement or damage to USER's motor vehicles or any personal or real property resulting from the installation or presence of radio and ancillary equipment.
- 14.5 The liability of LCRA in connection with Services provided is subject to the foregoing limitations, and LCRA makes no warranties of any kind, expressed or implied, as to the provision of such Services.

- 14.6 USER AGREES TO RELEASE, DEFEND, INDEMNIFY AND HOLD HARMLESS LCRA, ITS OFFICERS AND EMPLOYEES, TO THE FULL EXTENT PERMITTED BY LAW FROM AND AGAINST ANY AND ALL CLAIMS, DAMAGES, LIABILITIES AND EXPENSES, INCLUDING LEGAL AND ATTORNEY FEES, OF ANY NATURE ARISING DIRECTLY OR INDIRECTLY OUT OF THIS AGREEMENT, INCLUDING WITHOUT LIMITATION, CLAIMS FOR PERSONAL INJURY OR WRONGFUL DEATH TO USER (INCLUDING USER'S EMPLOYEES, OFFICERS, AGENTS OR SUBCONTRACTORS) OR OTHERS IN THE USE OR OPERATION OF ANY EQUIPMENT, PRODUCTS OR SERVICES PROVIDED BY LCRA OR USED IN CONJUNCTION WITH SUCH EQUIPMENT, PRODUCTS OR SERVICES PROVIDED BY LCRA AND ARISING OUT OF THE MANUFACTURE, PURCHASE, OPERATION, CONDITIONS, MAINTENANCE, INSTALLATION, RETURN OR USE OF THE **EQUIPMENT OR SERVICE OR ARISING BY OPERATION OF LAW, WHETHER THE** CLAIM IS BASED IN WHOLE OR IN PART ON NEGLIGENT ACTS OR OMISSIONS OF LCRA. ITS AGENTS OR EMPLOYEES. THIS PROVISION SHALL NOT APPLY TO DAMAGES TO FACILITIES OF USER AS PROVIDED IN PARAGRAPH 12.2.
- 14.7 Nothing in this Agreement is intended to waive any immunity from suit or liability to which a Party may be entitled by law, except for acts in violation of criminal laws.

15. NOTICES

15.1 Any notice or demand required or permitted to be made hereunder shall be made by certified or registered mail to the addresses given on the Radio System Pricing Schedule and Participant Information Sheet (Attachment A). Either Party may from time to time designate any other address for this purpose by written notice to the other Party. 17. TAX CODE CONSEQUENCES.

17.1 The relationship of the Parties shall not be treated as a partnership, joint enterprise, or other taxable entity for any purpose, including liability under the United States Internal Revenue Code (the "Code"). No provision of the Agreement shall be construed to create an association, joint venture, trust, or partnership with regard to the other Party. The Parties agree to take appropriate actions, including appropriate elections under Section 761 of the Code, to exclude the application of the partnership provisions of the Code.

pLTE SERVICE ADDENDUM

Addendum to Interlocal Cooperation Agreement for Radio Services and Equipment between City of Pflugerville, Texas and Lower Colorado River Authority

This pLTE Service Addendum ("Addendum") is dated and made effective as of [DATE] (the "Addendum Effective Date") and supplements and amends the Interlocal Cooperation Agreement entered into on [DATE] ("Agreement") by and between the Lower Colorado River Authority ("LCRA"), a local government, being a conservation and reclamation district of the State of Texas created pursuant to Article XVI, Section 59, of the Texas Constitution, and City of Pflugerville, Texas ("USER"), a local government of the State of Texas. LCRA and USER may also be referred to herein individually as a "Party" and collectively as the "Parties."

This Addendum is incorporated into and made a part of the Agreement by reference. All capitalized terms used in this Addendum but not specifically defined will take the meaning given to them under the Agreement.

RECITALS

WHEREAS, LCRA has secured Federal Communications Commission ("<u>FCC</u>") radio licenses in the 900 MHz band ("<u>900 MHz Broadband Licenses</u>") in order to deploy a 900 MHz private wireless broadband network within Texas (the "<u>Private LTE Network</u>");

WHEREAS, LCRA desires to serve eligible users in accordance with the terms and conditions of its 900 MHz Broadband Licenses and Part 27, Subpart P of the FCC's rules throughout its electric, transmission, and water service territory and to share excess capacity on its Private LTE Network with USER;

WHEREAS, the Parties wish to supplement and amend the Agreement to include an option for USER to receive Radio Services utilizing the 900 MHz Broadband Licenses, as described more fully in this Addendum, including in the Private LTE Service Pricing Schedule and Participant Information Sheet (Exhibit A to this Addendum) attached hereto ("Private LTE Services"); and

WHEREAS, the Parties are authorized to enter into this Agreement under Chapter 791 of the Texas Government Code, commonly referred to as the Interlocal Cooperation Act, and more particularly Section 791.025, Texas Government Code.

AGREEMENT

NOW THEREFORE, in consideration of the mutual benefits received by both Parties under the Agreement, the receipt of which is hereby acknowledged, the Parties agree as follows:

1. SCOPE OF RADIO SERVICES

- 1.1 The Agreement is supplemented and amended to include Private LTE Services within the scope of Services that may be requested by USER. Only the features, services, and capabilities selected by USER in the Private LTE Service Pricing Schedule and Participant Information Sheet (Exhibit A to this Addendum) and accepted by LCRA shall be enabled. Subject to the review, supervision, and ultimate control of LCRA, USER and its authorized end users ("Authorized Users") are permitted to use the Private LTE Services solely for USER's private internal mission critical communications requirements, provided that such uses must comply with the Communications Act of 1934, as amended, the rules, regulations and orders of the FCC (the "Communications Laws"), the regulatory status, terms and conditions of the 900 MHz Broadband Licenses, and the terms and conditions of the Agreement as supplemented and amended by this Addendum.
- 1.2 The Private LTE Services are offered on a functionally dedicated and closed Private LTE Network. Access to and use of the Private LTE Services are limited to USER and Authorized Users. The Private LTE Services may enable the USER to allocate network performance and assign priority access based on designated preferences. The Private LTE Services are intended to offer higher security and lower latency relative to the narrowband Radio Services that LCRA provides to its customers and users under the provisions of the Agreement other than this Addendum.
- 1.3 The provision of Private LTE Services is made only on the terms and conditions set out under the Agreement as supplemented and amended by this Addendum. The features and capabilities available for the Private LTE Services are set out in the attached Private LTE Service Pricing Schedule and Participant Information Sheet (Exhibit A to this Addendum). For the avoidance of doubt, the Private LTE Services constitute one type of "Radio Services" for purposes of the Agreement. All terms under the Agreement relative to Radio Services shall apply with equal force with respect to the Private LTE Services and the Private LTE Network, except to the extent specifically modified by the terms of this Addendum.
- 1.4 The Private LTE Services Pricing Schedule and Participant Information Sheet (<u>Exhibit A to this Addendum</u>) may be amended from time to time by LCRA, including to add additional features, capabilities or connected equipment and devices, or to change the pricing, terms and conditions on which Private LTE Services are offered by LCRA (or to reduce or terminate the offering of Private LTE Services by LCRA).
- 1.5 Additional Services may be made available by LCRA with respect to USER's procurement of the Private LTE Services pursuant to the terms set out in Sections 2.3 and 3.2 of the Agreement by listing such Additional Services and the pricing and terms therefor in separate quotes, proposals or estimates to be sent by LCRA to USER.
- 1.6 USER expressly understands and agrees that LCRA, as an FCC licensee, will supervise USER's activities pursuant to this Addendum, and that LCRA will retain control over all aspects of the operation of the Private LTE Network. Throughout the Term (as defined in Section 3 of this Addendum), LCRA shall have the right to take any and all actions as necessary or reasonably appropriate to ensure that USER's use of the Private LTE Services complies with the Communications Laws, any other applicable laws, rules or regulations, this Addendum and the Agreement, and the terms and conditions of the 900 MHz Broadband Licenses. Any other

provision of this Addendum or Agreement to the contrary notwithstanding, during the Term hereof, LCRA shall remain in *de jure* and *de facto* control of the 900 MHz Broadband Licenses and the Private LTE Network. This Addendum (a) does not and shall not vest in USER, or constitute, create or have the effect of constituting or creating, *de facto* or *de jure* control, direct or indirect, over LCRA, the 900 MHz Broadband License(s), which ownership or control remains exclusively and at all times with LCRA, and (b) does not and shall not constitute the transfer, assignment, lease or disposition in any manner, voluntary or involuntary, directly or indirectly, of the 900 MHz Broadband Licenses or the transfer of control of LCRA within the meaning of Section 310(d) of the Communications Laws. During the Term, USER shall not take any action inconsistent with or contrary to LCRA's *de jure* and *de facto* control, as those terms are construed by the FCC, over the 900 MHz Broadband Licenses or the Private LTE Network. During the Term, USER shall not hold itself out to the public as the owner or lessee of the 900 MHz Broadband Licenses or the Private LTE Network.

2. SERVICE RATES, CHARGES AND RATE AND TERM CHANGES.

- 2.1 The applicable monthly service and usage fees are set out in the attached Private LTE Service Pricing Schedule and Participant Information Sheet (Exhibit A to this Addendum). For the avoidance of doubt, the not-for-profit, cost-shared pricing and cost recovery principles set out in the last sentence of Section 2.1 and all of Section 2.2 of the Agreement shall not apply to Private LTE Services.
- 2.2 Subject to applicable law, it is agreed that LCRA may at any time modify the fees and rates included in the Private LTE Service Pricing Schedule and Participant Information Sheet (Exhibit A to this Addendum), as well as any other terms and conditions of this Addendum, by giving USER written notice of the modified amount or modified terms and conditions at least ninety (90) days in advance of the date on which the modified fees or terms are to become effective. If USER uses the Services, including Private LTE Services, on or after the effective date of any such modification or makes any payment to use the Services, including Private LTE Services, on or after the effective date of any such modification, USER shall be deemed to have accepted such modification.

3. TERM

3.1 Notwithstanding Section 6.1 of the Agreement, the initial term for any Private LTE Services shall commence on the Addendum Effective Date and shall terminate three (3) years thereafter (the "Initial Term"), unless automatically extended as provided below. The Private LTE Services shall automatically extend beyond the Initial Term under the terms and conditions, rates and charges then in effect for successive one (1) year periods, provided that either Party may terminate this Addendum: (i) at the end of its Initial Term by giving to the other Party written notice at least ninety (90) days prior to the end of the Initial Term, or (ii) by giving to the other Party written notice at least ninety (90) days prior to the end of any one (1) year extension; and, provided further, that all Private LTE Services shall terminate automatically if the 900 MHz Broadband Licenses held by LCRA or any of the frequency authorization(s) under such 900 MHz

Broadband Licenses under which USER then presently operates is (are) terminated or revoked by the FCC.

3.2 Termination or expiration of this Addendum or any Private LTE Services shall not in of itself result in termination of any other Radio Services under the Agreement. So long as this Addendum is in effect, the Agreement shall remain in effect regardless of whether any other Radio Services besides Private LTE Services are being provided to USER.

4. OPERATIONAL MATTERS

- 4.1 USER shall appoint and identify to LCRA in writing a qualified and dedicated contact as reasonably necessary for coordination of matters relating to technical, administrative and any other appropriate matters pertaining to the implementation, use and maintenance of the Private LTE Services.
- 4.2 Implementation of the Private LTE Services may be subject to certain milestones or requirements of the FCC or other third parties, including with respect to the need for multiple parties to work cooperatively to clear incumbents in the 900 MHz broadband as necessary to assign FCC radio licenses to LCRA in support of the Private LTE Services. Timing of the implementation of Private LTE Services to support USER's requirements is subordinate to these efforts to assign the necessary FCC radio licenses to LCRA.
- 4.3 If USER requests to migrate (in whole or in part) onto the Private LTE Services from an existing narrowband Radio Service, the Parties will work cooperatively to plan the migration in a way that allows for a timely cutover to the requested Private LTE Services with minimal Service disruption. The appointed contact of USER will be responsible for coordinating on behalf of USER and making decisions in matters pertaining to the migration. USER will ensure that information, support and resources are timely provided to LCRA as reasonably requested or necessary to support the migration process.
- 4.4 USER is responsible for ensuring that any devices or other equipment used by its Authorized Users in connection with the Private LTE Services shall meet industry standards for compatibility, regulatory compliance and other technical requirements necessary to maintain compatibility with the Private LTE Network and Private LTE Services and be certified for use on the Private LTE Network. USER may submit for LCRA's consideration and approval information related to any devices or other equipment that USER desires to use in connection with the Private LTE Services. Use of any devices or other equipment not previously approved by LCRA pursuant to this Section 4.4 shall be at USER's own risk and without any liability to LCRA. Under no circumstances shall LCRA be responsible for, or obligated to make, any changes to the Private LTE Network, equipment or operations to interoperate, accommodate or maintain compatibility with any devices or other equipment of USER or its Authorized Users.
- 4.5 Additional LCRA and USER responsibilities and obligations in connection with the Private LTE Services are set forth in Exhibit B to this Addendum attached hereto, which may be amended from time to time by LCRA.

4.6 While using the Private LTE Services, USER's equipment may connect to another provider's network ("Roaming"). Unless specifically indicated otherwise, any coverage provisions applicable to Private LTE Services shall only apply to the Private LTE Services provided to USER directly from LCRA and its Private LTE Network and shall not apply to services provided through, either directly or indirectly, another provider, including any Roaming. LCRA hereby disclaims all representations, warranties guarantees, or obligations, direct or indirect, express or implied, written or oral, in connection with the coverage, quality, and availability of services provided, directly or indirectly, by other providers, including any Roaming.

5. ACCEPTABLE USE; RESPONSIBILITY FOR AUTHORIZED USERS

- 5.1 The Private LTE Services are offered to USER subject to the condition that there will be no unauthorized, illegal, harmful or inappropriate use thereof ("**Abuse**"). Abuse includes, but is not limited to the following:
- (i) Obtaining or attempting to obtain Private LTE Services through any trick, scheme, false representation, unauthorized device or other facilities, with the intent to inappropriately access or use the Private LTE Services, including to avoid any payment obligations or to use the Private LTE Services for any purpose other than the uses permitted hereunder.
- (ii) Interrupting, altering, interfering with, attempting to interrupt or altering any files, programs, information and/or the use of the Private LTE Service of another customer or user; or
- (iii) Assisting another to perform any of the acts prohibited by subsections (i) or (ii) above.
- 5.2 USER acknowledges and agrees that (i) the relationships with each of its Authorized Users will continue to reside with USER, and (ii) USER is solely responsible for any and all use of the Private LTE Services by anyone accessing the Private LTE Network by or through it or any of its Authorized Users (whether or not specifically authorized), and such access and use shall be deemed USER's use for purposes of the Agreement and this Addendum, as well as for all data, content and materials that may be stored or transmitted via the Private LTE Services, whether by USER, its Authorized Users or otherwise.
- 5.3 USER agrees that it shall only use the Services, including the Private LTE Services, within the boundaries of the Electric Reliability Council of Texas, Inc. ("**ERCOT**"). USER acknowledges and agrees that LCRA is not providing a warranty of coverage, quality, or availability for use of the Services, including Private LTE Services, outside of the boundaries of ERCOT. LCRA hereby disclaims all representations and warranties, direct or indirect, express or implied, written or oral, in connection with any use of the Services, including Private LTE Services, outside of the boundaries of ERCOT.

TO THE EXTENT PERMITTED BY LAW, USER HEREBY RELEASES, WAIVES, DISCHARGES, AND WILL NOT HOLD LIABLE LCRA, ITS DIRECTORS, OFFICERS, AGENTS, AFFILIATES AND EMPLOYEES, FROM ANY AND ALL ACTIONS, CAUSES OF ACTION, EXPRESSLY INCLUDING NEGLIGENCE, CLAIMS, DEMANDS, COSTS, OR DAMAGES ARISING FROM OR RESULTING FROM ANY USE OF THE SERVICES, INCLUDING PRIVATE LTE SERVICES, OUTSIDE THE BOUNDARIES OF ERCOT, REGARDLESS OF THE SOLE, JOINT, OR CONCURRENT NEGLIGENCE, NEGLIGENCE PER SE, GROSS NEGLIGENCE, STRICT LIABILITY, REGULATORY OR STATUTORY LIABILITY, TORT THEORY, ACT, OMISSION, FAULT, OR FAILURE TO ACT BY LCRA.

THE PARTIES ACKNOWLEDGE AND AGREE THAT THE SERVICES, INCLUDING PRIVATE LTE SERVICES, BEING PROVIDED HEREUNDER SHALL ONLY BE USED WITHIN THE BOUNDARIES OF ERCOT AND ANY USE OUTSIDE OF THE BOUNDARIES OF ERCOT FALLS OUTSIDE THE SCOPE OF THIS AGREEMENT. THEREFORE, USER AGREES THAT LCRA SHALL HAVE NO LIABILITY TO USER FOR ANY USE OF THE PRIVATE LTE SERVICES OUTSIDE THE BOUNDARIES OF ERCOT, WHETHER ARISING FROM ANY BREACH OF CONTRACT, NEGLIGENCE, GROSS NEGLIGENCE, CLAIM (WHETHER IN TORT, CONTRACT OR EQUITY), OR OTHER COMMON LAW OR STATUTORY THEORY OF RECOVERY, OR ANY EXPENSES (INCLUDING ATTORNEY'S FEES) RELATED THERETO. NOTHING IN THIS AGREEMENT IS INTENDED TO WAIVE ANY IMMUNITY FROM SUIT OR LIABILITY TO WHICH A PARTY MAY BE ENTITLED BY LAW, EXCEPT FOR ACTS IN VIOLATION OF CRIMINAL LAWS.

- 5.4 To provide the best possible experience for all users of LCRA's Private LTE Network, LCRA has established certain network management practices to assure that LCRA's Private LTE Network resources are used for the benefit of all users especially during periods when network demand exceeds available network resources. Among other network resource management practices, LCRA generally prioritizes voice calls over data transmissions by design, promoting quality voice services; provided, however, that such prioritization may change at any time at LCRA's sole discretion. Furthermore, LCRA's Private LTE Network is not designed to handle programs, systems, applications, or other usage that drive continuously heavy traffic or data sessions, and such use is prohibited because it would impair LCRA's Private LTE Network functionality and delivery of service to USER and other users. As a part of these network management practices, LCRA reserves the right to reduce USER's data speeds during times of network congestion, for purposes of network management optimization, or if USER exceeds certain data usage amounts in a given month.
- Without limitation to any of the limitations or disclaimers set out in the Agreement, LCRA 5.5 does not guarantee that there will be no gaps, interruptions or delays in Services, including the Private LTE Services. USER may experience variations in the Services, including Private LTE Services, and access times based upon the location involved, the other traffic on the Private LTE Network, or conditions of the network. USER may fail to obtain or maintain access due to a lack of coverage in a particular area, use of low powered portable equipment in areas where higher powered mobile equipment is needed, radio frequency propagation effects, the effects of weather and atmospheric conditions, the effects of natural and constructed obstructions, equipment maintenance and upgrades, network facilities and changes, repairs and malfunctions. and usage exceeding capacity. SERVICES, INCLUDING PRIVATE LTE SERVICES, MAY BE DEPENDENT UPON THIRD PARTY PROVIDERS AND MAY BE DISRUPTED OR CANCELED DUE TO ACTIONS OF THE THIRD PARTY PROVIDERS. LCRA DOES NOT MAKE ANY, AND HEREBY DISCLAIMS ALL, WARRANTIES AND REPRESENTATIONS OF ANY KIND, STATUTORY, EXPRESS OR IMPLIED, REGARDING THE PRIVATE LTE NETWORK, EQUIPMENT OR SERVICES. WITHOUT LIMITING THE FOREGOING, LCRA SPECIFICALLY DISCLAIMS EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT. LCRA DOES NOT WARRANT THAT ANY SERVICES WILL MEET ANY OF USER'S REQUIREMENTS OR THAT THE PERFORMANCE OF SERVICES, INCLUDING PRIVATE LTE SERVICES WILL BE UNINTERRUPTED, TIMELY, APPROPRIATE, SECURE, OR FREE OF ERRORS OR INACCURACIES. LCRA FURTHER DISCLAIMS ANY HARM THAT MAY RESULT FROM THE USE OR MISUSE OF ANY EQUIPMENT. APPLICATIONS OR SOFTWARE. The disclaimer of warranties, coverage provisions, and limitations of liability included in Section 5.3 and this

Section 5.5 of the Addendum shall be in addition to those found in Sections 9, and 11 through 14 of the Agreement.

6. MISCELLANEOUS

For the avoidance of doubt, Sections 4, 5, 7 through 23 of the Agreement shall apply in their entirety *mutatis mutandis* to the Private LTE Services offered pursuant to this Addendum, in addition to all other terms applicable to Radio Services as the context may suggest or require.
