**CONCEALED CONDITIONS—ROCKS, UTILITIES, IRRIGATION, SEWER & DRAIN, SUPPLY ABANDONDED LINES**

PlayWorks Inc., reserves the right to charge for additional manpower and equipment rental if subcontractors encounter rock that cannot be penetrated to drill installation holes with a mechanical auger. Other concealed conditions may include but are not limited to power and electrical lines, water and gas lines, irrigation lines, sewer lines, drain lines and any and all abandoned lines. Marking utilities and other subsurface lines are the responsibility of the end user. If any lines are damaged, all costs associated with the repairing the line are the sole costs of the end user. Any associated losses are the responsibility of the end user. PlayWell's Sales Associates will notify you and meet with you at the work site to review the conditions requiring additional charges.

**SITE ACCESS**

You'll need a level site to make it free of any obstacles that might encroach upon the required fall zone for your design. Dig-Tess (1(800) Dig-Tess) will call all the possible utility companies that may have underground cables or piping running beneath the play area to mark where their runs might be. The site for equipment to be installed must be accessible by heavy machinery (trucks, trailers, and Bobcats). In the event this equipment is used at your site, please note there may be signs of access afterwards.

**WEATHER DELAY**

Unusual weather patterns, heavy rain, lightning or thunder conditions, and flooding "acts of God" or natural disaster, wherein the project site is determined to be unworkable. The installation of your equipment will be delayed.

**INSTALLATION WILL BE ORDERED IMMEDIATELY UPON RECEIPT OF WRITTEN APPROVALS. Please email or fax all pages.**
