

STONE HILL DRIVE SPLIT INTERSECTION ALL-WAY STOP IMPROVEMENTS  
BETWEEN HILLTOP COMMERCIAL DRIVE and LIMESTONE COMMERCIAL DRIVE

Install two additional "STOP" signs (R1-1)(36in) with "ALL WAY" plaques (R1-3P) and 14ft Stop Bars (24in) on the intersection's interior approaches.

Install enhanced conspicuity features including retroreflective tape on both sign posts and place temporary red flags on both new stop sign assemblies.

Flags may be removed after two weeks.

Double yellow stripes shown for illustration purposes only.

New centerline markings not required.
