Sum total	166,365.72	USD

ESTIMATED DELIVERY DATE IS estimated to be 10-14 weeks if all parts are in stock. Actual delivery will depend on parts availability and shop workload at time of order.

PRICES VALID ONLY FOR THIS REPAIR.

Terms # 30% Down payment for amount over \$50,000 - Net 10 days Price in U.S Dollars Estimate: Valid for 30 days.

Goods and Services provided in accordance with GEA Mechanical Equipment US, Inc. Standard Terms and Conditions. Copy is available upon request. Issuance of a Purchase order shall constitute unqualified acceptance of all the Terms and Conditions of this Order.

This is an estimated cost to repair based on our evaluation at this time. Occasionally, during the course of repair, additional deficiencies are detected that may not have been visible during our evaluation.

If during the course of repair we encounter additional areas that based on our judgment will need to be repaired, we will do so without requesting additional authorization up to an amount equal to 10% of the total order value. If the additional costs exceed the 10% allowance, you will be notified of the total increased cost.

By accepting the terms of our estimate you agree with our repair allowance stated above without requiring additional authorization.

Should you request the bowl assembly be returned un-repaired there will be an inspection and handling fee including time for disassembly, cleaning, dye testing and inspection valuing not less than \$4000.00 USD.

If you do not accept these terms as stated, please contact us immediately so we can initiate the proper control points in handling your order.

Disposal of Non-serviceable Parts: Any part determined as non-serviceable, per our inspection, shall be identified on our estimate for repair. Unless purchaser designates otherwise in writing, at time of order placement, purchaser authorizes Westfalia Separator to dispose of these non-serviceable parts.
