

2021-0864

Discuss and consider action to award a construction contract for the Highland Park Wastewater Interceptor Project to D Guerra Construction, LLC, the lowest responsible bidder of the five (5) bids received on August 19, 2021, in the amount of \$2,168,090.00 and authorizing the City Manager to execute same.

Highland Park Wastewater Interceptor

- Construction of 1,400 LF 36-inch and 1,500 LF of 24-inch wastewater interceptor near Pflugerville Parkway and Pflugers Farm Lane
- Decommissioning of two wastewater lift stations and ultimately reducing maintenance and operation costs
- Connecting Sewershed to the newly constructed SH-130 Wastewater Interceptor
- The estimated construction period: **October 2021 to July 2022**

Bid Alternatives

1. **Additive Alternate No. 1 (A1)** substitutes 24” Polyvinyl chloride (PVC) Pipe in lieu of 24” Fiberglass Reinforced Pipe (FRP)
2. **Additive Alternate 2 (A2)** includes remobilization for lift station decommissioning, if required due to downstream project schedules
3. **Additive Alternate 3 (A3)** substitutes 36” FRP in lieu of 33” FRP
1. **Deductive Alternate 1 (D1)** includes open cut rather than trenchless near the Highland Park Lift Station, if field conditions allow.
