Re: City of Pflugerville  
1.5 MG South Standpipe Tank Rehabilitation

Dear Mr. Pritchett:

On November 18, 2021, the City of Pflugerville received competitive bids from eight (8) contractors for the Rehabilitation of the 1.5 MG South Standpipe Tank. The attached Bid Tabulation shows N.G. Painting, LP of Kerrville, Texas as the low bidder for the Base Bid plus Add Alternate at \$573,920.00. As you know, the Add Alternate Bid Item was for the addition of two logos.

The bids received for the 1.5 MG South Standpipe Tank Rehabilitation ranged from \$573,920.00 to \$1,093,000.00. Our Final Opinion of Probable Construction Cost for the Rehabilitation was \$700,000.

We recommend that a contract for the Base Bid and Add Alternate be awarded to N.G. Painting, LP for the City of Pflugerville 1.5 MG South Standpipe Tank Rehabilitation project.

Sincerely,

Ginger R. Tolbert, P.E.  
Principal
