

2021-1173

Discuss and consider action to award a construction contract for the Grand Avenue Reconstruction Project to Terra Path the lowest responsible bidder of six (6) accepted bids received on October 21, 2021, in the amount of \$2,756,000.00 and authorizing the City Manager to execute same.

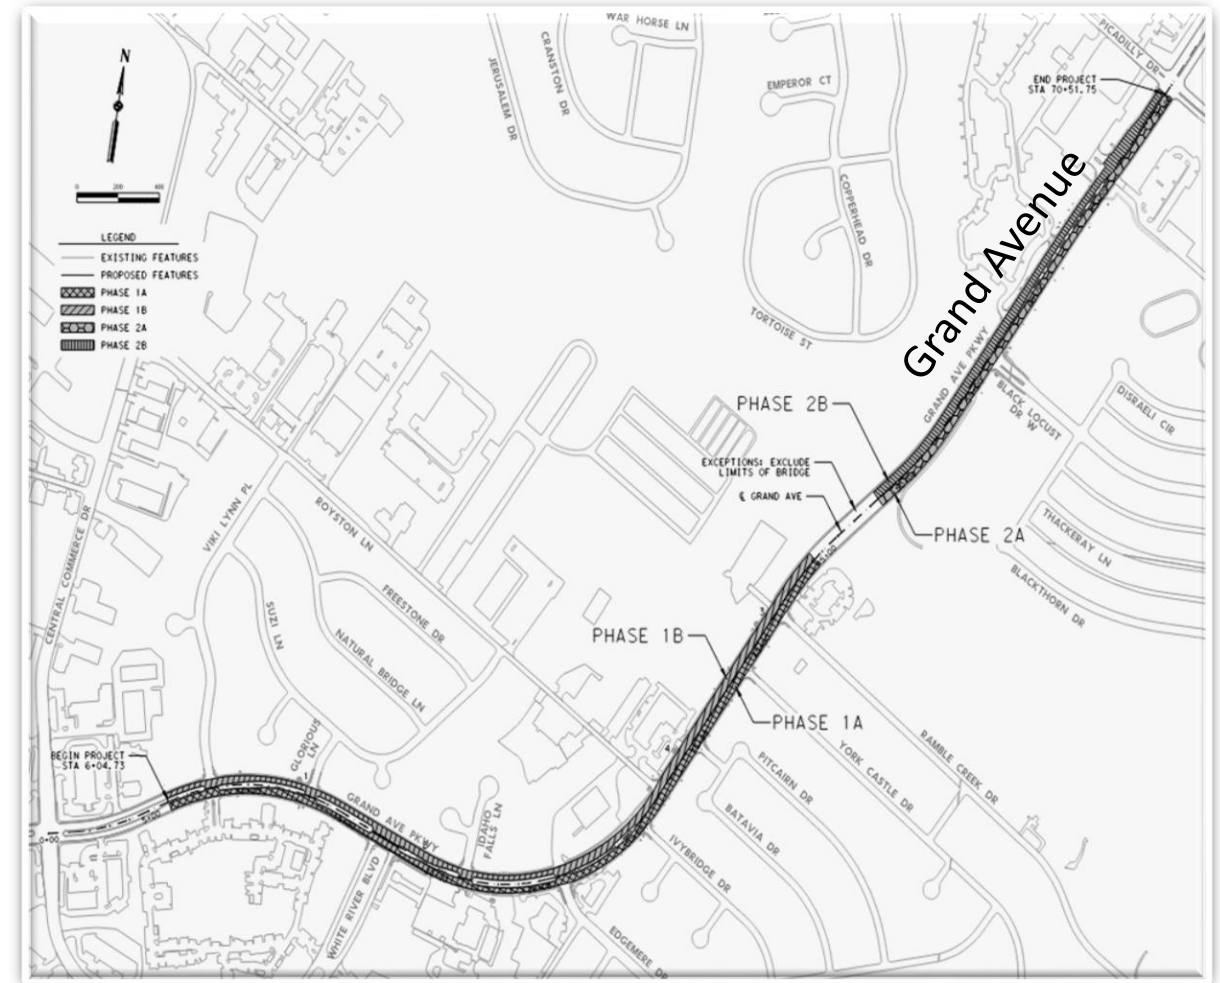

# Project Overview

- Grand Avenue Parkway was reconstructed in 2017 for pavement repairs, from approximately Viki Lynn Place to Picadilly Drive
- Pavement failures and distress areas have accrued along the project limits following the 2017 reconstruction
- An initial Pavement Distress Evaluation was performed in April 2019 to evaluate pavement conditions, identify root cause of pavement failures, and provide pavement rehabilitation options
- In March 2021 the City contracted with Kimley-Horn (the “Engineer”), in conjunction with its consultant (Raba-Kistner) for the redesign of the Grand Avenue Parkway

# Traffic Control Plan

- Temporary Traffic Control Plan (TTCP) for two Separate PHASES that includes two-lane, two-way operation.
- The plan was coordinated and approved by the Pflugerville Police Department, Fire Department, Pflugerville ISD, Travis County Police and US Mail.
- Allows for the safest and quickest duration of construction
- Access to adjacent properties and businesses will be maintained at all times
- TTCP will be finalized after the project contract is brought on board
