My family and I moved to Pflugerville almost two years ago from South Austin. Ever since we moved here, we have been very active within the community. From the 'Pfestivals' and 'Pfairs', to the expos and Downtown, we continuously enjoy everything the City of Pflugerville has to offer. Having experience in government, specifically finance, I was looking for more ways to get involved in the City. I have attended several City Council meetings and a Finance and Budget Committee meeting. I have worked for the State of Texas for almost three years in the Finance Department of the Employees Retirement System of Texas. I have experience in Financial Statement preparation, Financial Systems, implementation of new programs and vendors and other finance related responsibilities. I am currently pursuing my Certified Government Financial Manager (CGFM) designation and have passed the first of three exams; I plan to take the second exam in December. I look forward to serving the City of Pflugerville on the Finance and budget Committee.

By signing this application, I hereby affirm that I am aware of the requirements for the position(s) and certify that I meet those requirements.
