SUBJECT: Pfennig Pump Station Improvements Bid Recommendation
DATE: August 27, 2014
PROJECT: Pfennig Pump Station Improvements

FREESE AND NICHOLS, INC.
TEXAS REGISTERED
ENGINEERING FIRM
F-2144

Mr. Word:

The City of Pflugerville (City) received sealed bid proposals for the Pfennig Pump Station Improvements on August 26, 2014 at 2 pm. Attached is the tabulation of the seven bids. All seven bid proposals were properly executed and submitted in compliance with the bidding requirements for this project. The Sales Tax Code Compliance form was not listed as a required form for the bid but is required for award of this project.

The bidder providing the lowest overall construction cost for the Pfennig Pump Station Improvements is Patin Construction LLC (Patin). Patin submitted all information required by the Contract Documents including the bid form, bid bond, and addenda receipt confirmation. They also submitted the Sales Tax Code Compliance form. Based on the bid results, Freese and Nichols (FNI) recommends that Patin be awarded the construction contract for this project. Patin's total bid for the Pfennig Pump Station Improvements is \$3,144,325.35 (Three million one hundred forty-four thousand three hundred twenty-five dollars and thirty five cents). This total does not include the five (5) percent of the cost for the pumps, motors, variable frequency drives, and switchboard pre-purchase that is being paid directly to the manufacturers by the City.

If you have any questions regarding this matter, please feel free to contact us.

Sincerely,

Anne Carrel, P.E.
