Discuss and consider action to authorize the City Manager to negotiate a Park Use Agreement with the Pflugerville Area Youth Soccer League (PAYSL) for the exclusive use of Wells Point Park, Bohls Park and the Swenson Pond parkland.

Mr. Hemenes provided information on the item to include proposed agreement points as well as current costs and fees. He stated that current users of Wells Point would continue to be able to use the fields, to include the Texans. Mr. Jesse Pedraza, PAYSL President, stated that they do have both rec and select leagues and select does pay a higher cost and they are kept in separate systems, so that information can be provided to the City. Mr. Pedraza stated that they estimate irrigation repairs at \$30,000 for Wells Point and \$10,000-12,000 for Bohls Park. Mr. Pedraza stated that the long-term agreement would give PAYSL more ownership and pride and they would hold more responsibility in doing improvements and maintenance. He stated that he doesn't see how you can use it more and get it to be decent. Mr. Metayer stated that the Texans were able to raise and take out loans to spend \$200,000 at the Hill Country Bible church due to the Texans and PAYSL being unable to come to an agreement to use the Wells Point fields. He stated that the Texans were not taken care of there. He stated concerns with the expansion of FM 685, that the Hutto Youth Soccer Association (HYSA), whom they partner with for field use, would lose area in Hutto. He stated concerns for the Council making this commitment prior to the bond election results. He stated concern for the 10-year agreement.
