Dear Dustin,

The Aqua-Aerobic Systems, AquaDisk® Filter is of Aqua-Aerobic Systems (AAS) proprietary design, fabricated to AAS specifications. Aqua-Aerobic Systems is the exclusive original equipment manufacturer of the AquaDisk® units at the Central WWTP located in Pflugerville, TX. As such, all equipment and components are manufactured to AAS specifications, the exclusive vendor supplier for this equipment. This includes all items listed in proposal #56519.

Sincerely,

Tim Lamont
Senior Customer Service Representative
