5 Public Hearing

The Commission welcomes comment on the following items. Each person providing public comment will be limited to five (5) minutes and will be asked to state his or her name and address for the public record.

5A [ORD-0704](#)

To receive public comment and consider an application to rezone an approximately 11.858 acres from the Agriculture/Development Reserve (A) district to Planned Unit Development (PUD) district, with a base zoning designation of Urban (Level 4: CL4) to allow for multi-family and townhome uses by right. The property is situated in the Jacob Casner Survey No. 9, Abstract No. 2753, generally located south of Gattis School Road, east of SH 130, north of Steeds Crossing, and west of Derby Day Ave., locally addressed 21101 F.M. 685, to be known as the Fairfield PUD (2022-5-PUD).

Nathan Jones, Planning Manager, and Applicant Amanda Swor presented information.

Chair Mitchell asked if there was anyone present wishing to speak on the item:

Resident Kasey Lira, 21104 Secretariat Ridge Ln, addressed the Commission Resident advised there has been no significant changes since 2008, the road infrastructure has not kept pace with the growth. She has copies of accident and incident requests from Pflugerville and Williamson County She also advised the sidewalks are lacking in the area. The last traffic study is out of date.

Commissioner Maedgen motioned to close the public hearing.

Commissioner Crain seconded the motion.

All in favor. Motion passed.

Commissioner Maedgen is sympathetic to the traffic situation but have to balance affordability. Thinks this is a really thoughtful design and is glad the voters passed the 2020 bond. Think we are working toward the traffic issues.

Commissioner Coffman advised it has been a lot of work to bring in the plan that is more in line with the area and do appreciate the work.

Commissioner Coffman moved to approve the PUD request. Commissioner Maedgen seconded the motion. All in favor. Motion carried.

5B [ORD-0706](#)

To receive public comment and consider an application to rezone 6 lots at the corners of Steeds Crossing and SH 130, consisting of an approximately 8.279-acres generally located both north and south of Steeds Crossing as it intersects with SH 130 and FM 685, from Agriculture/Development Reserve (A) to Suburban (Level 3:CL3) and Urban (Level 4:CL4); to be known as the Steeds Crossing Mixed-Use Rezoning (2023-1-REZ).

Samantha Fleischman, Planner I, gave a presentation.

Stewart Alderman, SKC Architecture, representing the owners of the project, spoke that they do intend to comply with the Aspire plan. They have been working with the homeowners and intend to assist the neighborhood. Willing to help do a traffic study, talk to TxDOT about turn lanes, obtain radar units, place in additional access, connect walkways in the neighborhood, build sidewalks. TxDOT gave their support with a turn lane at Steeds Crossing.

Chair Mitchell asked if there was anyone present wishing to speak on the item:

Cheryl Ribish, 1407 Saint Leger, addressed the Commission:

The through street, Derby Day, has a lot of traffic. If there is anything we can do to improve the area out there for the traffic, we will do that. We have talked to Mayor Gonzales and have been told that speed humps are not allowed in the neighborhood. Anything that we can do, if anyone can give us recommendations, it would be appreciated. All that is going to be done this summer is the dedicated turn lane from Hutto. People on Derby Day cannot even back out of their driveways safely because of the amount of cars going through.

Alice Rose Duerr, 1904 Steed Xing, addressed the Commission:

Speeding in Steeds Crossing is a problem and is not patrolled by PPD because it is in the ETJ

We (residents) went directly to the owner of the property and architecture firm and gave them a detailed list about what we wanted and asked for them to pay for it and install and we are grateful they are willing to help with that. We are wanting to slow the traffic down.

Mario Castro, 20818 Trotters Lane, addressed the Commission:

New board member of Steeds Xing. Traffic is already a big issue and with the more population it is just going to get worse. How can the Commission help with widened the street for exiting into the subdivision? Another concern is an increase in littering at the entrance. Higher crime risk because there are more people. More police presence, who do we talk to?

Darrell Sorrells, 1902 Steeds Xing, addressed the Commission:

Traffic is getting bad, like in Austin. Been an uphill battle for 12 years. I am all for development but we just have to be safe.

Modesto Rosario, 20816 Morgans Choice Ln, addressed the Commission:

Live behind the proposed development on Morgans Choice. Eastbound Gattis School Rd was not meant to have the amount of traffic it has and because of the ditches on either side, there isn't a good way to mitigate the traffic if the development goes in. Concerned about getting Emergency Vehicles into the

neighborhood. There is going to be wear and tear on the roads, increases traffic and littering. Utilities – water restrictions occasional brown outs. The actual infrastructure needs to change to accommodate. More planning needs to happen in my opinion.

Commissioner Crain moved to close Public Hearing. Commissioner Maedgen seconded the motion. All in favor. Motion passes.

Commissioner Crain advised it is worth noting that these are continual issues and a condition of the development of the 2000's.

Commissioner Maedgen moved to approve rezoning as recommended. Commissioner Coffman seconded the motion. All approved: Commissioner Thompson, Commissioner Crain, Vice Chair Hudson, Chair Mitchell. All opposed: Commissioner Hickman. Motion passes

Aye: 6 - Commissioner Nicholas Hudson, Commissioner Oscar R. Mitchell, Commissioner Amanda Maedgen, Commissioner Andrew Crain, Commissioner Allison Thompson and Commissioner Jonathan Coffman

Nay: 1 - Commissioner Brad Hickman

5C [ORD-0703](#)

To receive public comment and consider a rezoning application to amend the development regulations of the Pflugerville Farms Planned Unit Development (PUD), an approximate 40-acre tract of land located north of E. Pflugerville Parkway, west of Pfluger Farm Lane, and south of Town Center Drive, to be known as the Pflugerville Farms PUD amendment (2022-6-PUD).

Nathan Jones, Planning Manager, gave a presentation.

Michelle Hausmann, with Land Use Solutions, gave a presentation.

Chair Mitchell asked if there was anyone present wishing to speak on the item. There was none.

Chair Mitchell moved to close Public Hearing. Commissioner Crain seconded the motion. All in favor. Motion carries.

Commissioner Maedgen moved to approved as presented. Commissioner Thompson seconded the motion. All approve. Motion passed.

5D [ORD-0705](#) To receive public comments and consider an application for a Specific Use Permit for the proposed use of Body Art Studio within the General Business 1 (GB1) Zoning District for an approximate .03 acres of land, located within Unit 110 of 2512 West Pecan Street, to be known as the Vice and Virtue Specific Use Permit (2023-2-SUP).

Zainab Haider, Planner I, gave a presentation.

Nathan Herbert, owner of Vice and Virtue Tattoo, gave a presentation.

Vice Chair Hudson asked if there would be a sign on the front. The applicant advised it would be the same size sign for all the units. The studio will be very modern in its look.

Commissioner Coffman advised he would hate to restrict the owner to 12pm - 7 pm. The applicant advised there would be no walk-ins, so the hours are fine. Commissioner Crain also did not want to have set hours for the application.

Chair Mitchell asked if there was anyone present wishing to speak on the item. There was none.

Commissioner Maedgen moved to approve the Specific Use Permit but strike the restriction on operating hours. Commissioner Crain seconded the motion. All in favor. Motion passes.

6 Discuss Only

6A [2023-0303](#) Discuss the 5-year Capital Improvement Plan for Fiscal Year 2024-2029.

Andrea Brinkley, CIP Director, gave a presentation.
