

**MAYOR’S PROCLAMATION
DECLARING PFLUGERVILLE PINK PFRIDAYS
IN OBSERVANCE OF BREAST CANCER AWARENESS MONTH
IN THE CITY OF PFLUGERVILLE
OCTOBER 2024**

WHEREAS, the citizens of Pflugerville value the benefits of good health as the key component of a long, productive and fulfilling life and proudly support observances that focus public attention on crucial health issues, such as Breast Cancer Awareness Month; and

WHEREAS, breast cancer is the second most common kind of cancer in women. About 1 in 8 women born today in the United States will get breast cancer at some point; and

WHEREAS, the good news is that many women can survive breast cancer if it is found and treated early. A mammogram – the screening test for breast cancer – can help find breast cancer early when it’s easier to treat; and

WHEREAS, Breast Cancer Awareness Month is a chance to raise awareness about the importance of early detection of breast cancer. Make a difference! Spread the word about mammograms and encourage communities, organizations, families, and individuals to get involved and participate with Pflugerville each Pink Friday in October.

NOW THEREFORE, be it resolved that I, Victor Gonzales, Mayor of the City of Pflugerville, Texas, do hereby proclaim that each Friday in October 2024 shall be observed as Pflugerville Pink Friday in observance of BREAST CANCER AWARENESS MONTH in the City of Pflugerville. During this month-long observance, I encourage all citizens to join in activities and initiatives that help raise support and awareness of this serious health concern which has claimed too many lives over the years.

In Witness Whereof, I cause the Official Seal of the City of Pflugerville to be affixed this **8th day of October, 2024**.

Victor Gonzales, Mayor
