Summer Reading Program Event Highlights Include:

MakerPfest at Home (All ages)

Guests kicked off the summer with Maker Pfest at home. This year's Maker Pfest featured take and make crafts for all ages.

Activities included: Paper pinwheels for children up to 5 years old, origami kits for children 5 and up, LED name badges for tweens (8-12 years old), paper lanterns for teens (12 and up), oven-bake

clay earrings for adults (18 and up), laser cut Mylar stencil projects (18 and up), instructions were included with each project.

Manga in Minutes with Mr. Pitt (Teen)

Weekly hands-on lessons in drawing in the Manga style by cartoonist David Pitts. These short video lessons will cover the basics of the Manga style of drawing with tools, tips and tricks for aspiring artists.

Short Story Writing, Part 1: Literary Fiction: Beginning and Character (Adults)

The first in a four-part series on short story writing, by Author Tracy Lander-Garrett.

Lucas Miller the Singing Zoologist (Kids)

Children of all ages learned about wetlands, monarch butterflies, food chains, and much more with Lucas Miller's dynamic, multimedia pre-recorded video.

Sweet Treat Workshop (Tweens)

Tweens 8-12 learned how to decorate sugar cookies with royal icing. Featuring kits from Cafe 1 by Chef Juan, participants followed video instructions using the supplies provided.

Kids 8-12

Register June 21-25
