

PERFORMANCE AGREEMENT

This Performance Agreement (this “Agreement”) is entered into by and between Pflugerville Community Development Corporation (the “PCDC”), a Section 4B corporation incorporated under the Development Corporation Act of 1979 (the “Act”), and Pflugerville Educational Foundation, Inc. a Texas non profit corporation (“PEF”).

RECITALS

PCDC has determined that it is in the best interests of PCDC and the City of Pflugerville, a Texas Home Rule City in Travis County, Texas (the “City”), to facilitate PEF in helping to establish two workforce training vocational programs at the Pflugerville Independent School District to wit: Project Lead the Way and Geometry in Construction (the “Vocational Programs”). PCDC has determined that the addition of the Vocational Programs within the City will provide significant economic benefits and will further economic development in the City. The economic benefits of the Vocational Programs to the City will include, without limitation, the proceeds received by the City from the skilled workforce that will be trained and ultimately allow for the construction of new residential, retail, office research and development and industrial sites within the city including the sales tax and property tax collected by these new members of the workforce and the industries they help build in Pflugerville.

PCDC and PEF have agreed to enter into this Agreement in connection with PEF’s construction of Vocational Programs to provide for certain incentives to PEF and to further define certain obligations of the parties to this Agreement with respect to the construction of the Public Safety Facility and such incentives. This Agreement is required pursuant to Section 40 of the Act.
