

2020-8676

Approving the selection of Halff Associates, Inc. for professional services associated with the Drainage Master Plan and Drainage Fee Study and authorizing the City Manager to execute a professional services agreement in the amount of \$247,215.

Comprehensive Drainage Master Plan

- Provide a comprehensive evaluation of existing drainage conditions throughout the City
- Develop an accurate and current understanding of the City's drainage infrastructure
- Prepare potential solutions to problems, both now and in the future.

Drainage Utility Fee Study

- Determine the feasibility of a stormwater utility fee (or other alternative funding system)
- Drainage utility fee study to determine if a utility fund is feasible to support:
 - drainage master plan capital improvement projects
 - stormwater maintenance, operation and environmental expenditure needs
- Drainage fee study will be conducted in compliance with all applicable laws and regulations of the State of Texas.
