Net value:	80,241.87	USD
Total Tax:	0.00	USD
Sum total	80,241.87	USD

ESTIMATED DELIVERY 6-8 WEEKS AFTER APPROVAL AND RECEIPT OF PARTS.

IT'S RECOMMENDED THAT A REPAIRED ROTATING ASSEMBLY BE ASSEMBLED BY A GEA TECHNICIAN TO ENSURE PROPER AND BALANCING IN THE FRAME (COST FOR THIS SERVICE IS NOT INCLUDED IN THIS ESTIMATE).

PRICES VALID ONLY FOR THIS REPAIR.

Terms # 30% Down payment for amount over \$50,000 - Net 30 days Price in U.S Dollars Estimate: Valid for 30 days Goods and Services provided in accordance with GEA Mechanical Equipment US, Inc. Standard Terms and Conditions. Copy is available upon request. Issuance of a Purchase order shall constitute unqualified acceptance of all the Terms and Conditions of this Order.

Security Interest. As security for Customer?s responsibilities under the contract, Customer hereby grants GEA a continuing first-priority, purchase-money security interest (a "PMSI") in the Collateral. For purposes of the PMSI, the "Collateral" means collectively: (a) each of the goods, all repairs thereto and all replacements and substitutions therefor furnished by GEA; (b) all additions, attachments and accessories to or for any or all items of the goods (including without limitation all fittings and fixtures used in connection therewith); and (c) all proceeds (including without limitation insurance proceeds), accounts, accounts receivable, payment intangibles, instruments, documents, chattel paper, general intangibles and other rights arising from the sale, lease, assignment or transfer by Customer of any or all of the goods. The PMSI shall be and remain a purchase-money security interest. Customer, to evidence, perfect and maintain the PMSI, hereby authorizes GEA to prepare and file in each appropriate jurisdiction, at the Customer?s expense (if GEA wishes to charge the Customer therefor), one or more UCC-1 financing statements (or the then-current form of such statement(s) or documents to achieve the same or similar results), including without limitation each continuation or amendment thereto as GEA deems necessary or desirable.

This is an estimated cost to repair based on our evaluation at this time. Occasionally, during the course of repair, additional deficiencies are detected that may not have been visible during our evaluation.

If during the course of repair we encounter additional areas that based on our judgment will need to be repaired, we will do so without requesting additional authorization up to an amount equal to 10% of the total order value. If the additional costs exceed the 10% allowance, you will be notified of the total increased cost.

By accepting the terms of our estimate you agree with our repair allowance stated above without requiring additional authorization.
