Resident of the City of Pflugerville for 15.5 years.

Are you are a registered voter of the City of Pflugerville? Yes No Voter Registration No. 1141150800
Note: *I have had a legal name change and my voter registration is still under my previous name: Kaye Goss-Terry.*

Have you attended a meeting of the Library Board? Yes No

Does any potential conflict of interest exist which may interfere or inhibit you to carry out the duties of a Library Board member? Yes No (If Yes, please explain.)

Why are you interested in serving on the Library Board?

I have thoroughly enjoyed all of the benefits of being a long standing Library member and feel that is my duty to give back to the community by serving, if chosen, on the Library Board. Tamya Isenberg contacted me and asked that I consider submitting my application to serve on the Library Board. I feel honored that I was asked and would be willing to serve as a board member.

Do you have any previous board service, leadership, or volunteer experience?

While I do not have any board service, I have plenty of leadership and volunteer experience. I have been a volunteer with the Girl Scouts for over 20 years. I have been a Troop Leader of six Troops over the past 20 years helping girls to learn about themselves, the world and how to become a future Leader.

Currently, I serve as the Service Unit Director for the Pflugerville, Austin, Wells Branch (PAW) Girl Scouts and oversee approximately 70 troops. Additionally, I am a Master Trainer with the Girls Scouts of Central Texas and provide training to adult leaders and volunteers in outdoor skills, and leadership skills.

What kinds of skills or expertise can you offer?

My skills are:

- I enjoy facilitating meetings. I like to keep people on topic, and finish at the agreed upon time. I provide this service both at work and at Girl Scout meetings and trainings.
- I enjoy public speaking. If I understand a topic, I'm willing to stand in front of a group - no matter the size - to discuss or provide the information needed.
- I enjoy creating documents, spreadsheets and information for web sites. I have helped to design the PAW Service Unit website which you can see at www.pawserviceunit.org.
- I am a skilled mediator during situations of conflict and have helped resolve several conflicts with in GS Troops with favorable results for all parties concerned.

How will the organization benefit from your participation?

I have two passions in life, Girl Scouts and books. I always have a book around to read. I feel that my passion for reading and for books will transfer over to the Library Board by becoming a vocal advocate for the Library during this time of growth. I am extremely excited to watch the Library grow as I have been a member since we were in the little house in downtown Pflugerville. I would like to be on the Board to help make decisions that will help the Library keep growing as Pflugerville grows. Lastly, I do not plan on moving from the Pflugerville area for many years.

What do you expect from us so that your experience is satisfying?

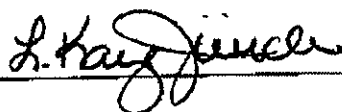

I can not see any reason why my time on the Library Board would not be satisfying. I know that at times City Government or the voters can make decisions that will make it difficult for the Library Board to accomplish task or implement changes. Finding creative solutions in those times will be challenging and rewarding. I do enjoy a good problem and trying to find a solution for all concerned.

Please provide any additional information you feel would be useful to the City Council in considering your application. Please use additional sheets as necessary. A cover letter and/or resume may also be submitted with the application.

I understand that I in order to be approved, I would have to attend a meeting on November 16th. Unfortunately, I do have a prior commitment that I can not change. I will be happy to meet with anyone who might have questions prior to the meeting or talk over the phone.

By signing this application, I hereby affirm that I am aware of the requirements for the position and certify that I meet those requirements.
