Public Notice for Lower Colorado Regional Water Planning Group Voting Member Nominations

Notice is hereby provided that the Lower Colorado Regional Water Planning Group (LCRWPG), also referred to as Region K, is requesting nominations for two Region K voting member positions. One position representing the (Small) Municipalities Interest Group, the second representing the "Other" Interest Group. Since the Region K bylaws also require that members must represent each county in the region, prospective members should either live or work in Mills or Llano counties due to voting member vacancies recently opening in these counties.

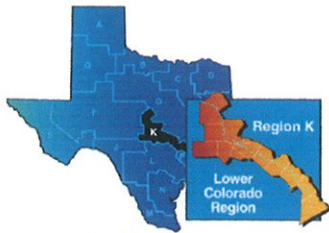

Region K consists of a 14-county planning area, which extends generally along the Colorado River basin from Mills and San Saba counties in the northwest to Matagorda County in the southeast. In order to be eligible for voting membership on the LCRWPG, a person must represent the interest for which a member is sought, be willing to participate in the regional water planning process and abide by the bylaws of the planning group. Copies of the bylaws may be obtained from the Region K website (www.regionk.org).

To submit nominations, please send a letter to Region K's mailing address:

LCRA - Attention: Region K, Mailstop L211, P. O. Box 220, Austin TX 78767-0220

The deadline for nominations is December 31, 2012. Letters must be post stamped by this date to be accepted by the deadline.

For additional information, please visit the Region K website at www.regionk.org
