MASTER SERVICES AGREEMENT FOR

CITY OF PFLUGERVILLE RIGHT OF WAY SERVICES (30/24-in SH 45 Pump Station Discharge Line Project)

WORK AUTHORIZATION NO. 2024-1

This WORK AUTHORIZATION is made pursuant to the terms and conditions of the Master Services Agreement executed the 27th day of February, 2023 by and between the City of Pflugerville and Seven Arrows, hereinafter referred to as the Agreement.

The Consultant will perform the professional services as shown in Attachment A, Scope of Services, which will include the tasks to be performed, the deliverables to be provided by the Consultant, and the milestone schedule for completing the tasks and the deliverables for eleven (11) parcels on the 30/24-in SH 45 Pump Station Discharge Line Project.

Compensation to the Consultant for the services provided pursuant to this Work Authorization shall be in accordance with Article 4 of the Master Services Agreement, as further detailed in Attachment B to this Work Authorization. Attachment B shall include the method and basis for determining the compensation for this work authorization. The maximum amount payable under this Work Authorization is \$182,820, unless amended by a Supplemental Work Authorization.

This Work Authorization does not waive any of the parties' responsibilities and obligations provided under the Master Service Agreement.

Re: City of Pflugerville

30/24-in SH 45 Pump Station Discharge Line Project

Land Rights Acquisition Services

SCOPE OF SERVICES / Attachment "B"

GENERAL: The City of Pflugerville has real estate impacts associated with the 30/24-in SH 45 Pump Station Discharge Line Project (the Project) which will include appraisal and real estate acquisition services. 7Arrows Land Staff, LLC (7Arrows) shall provide a variety of services to support the City of Pflugerville in execution of the project including appraisal and land rights acquisition services. 7Arrow's services may also include, as directed by the City, assistance with open houses or similar meetings with the public, presentations to all approval authorities, and other real estate and property work that may be needed from time to time to support the timely execution of the project.

BASIC SERVICES: 7Arrows shall render the following professional services in connection with the development of the Project.

1. <u>Pre-Acquisition Services</u>

- a) Research preliminary ownership and county tax information.
- b) Prepare and obtain any Rights of Entry necessary for surveying, geotechnical investigations, and environmental services.

2. <u>Title Services</u>

- a) Review preliminary title commitment (Schedules A, B & C) or preliminary title search information for all properties.
- b) Secure title commitments and updates in accordance with insurance rules and requirements for parcel payment submissions for properties which will be acquired in fee simple and for ROW easements.
- c) Secure title insurance for all parcels, insuring acceptable title. Cure all exceptions on Schedule C, when applicable. Written approval by City will be required for any exceptions to coverage.
- d) Attend closings and provide closing services in conjunction with Title Company for all tracts.

- e) Record all original instruments immediately after closing at the respective County Clerk's Office.
- f) Research title and provide Condemnation Title Report to legal counsel for property rights that will be acquired through Eminent Domain. (See item 7 below)

3. Appraisal Services

- a) Prepare and conduct personal pre-appraisal contact with interest owner(s) for each parcel.
- b) Contact property owners or their designated representative to offer opportunity to accompany the appraiser on the appraiser's inspection of subject property. Maintain record of contact in file.
- c) Finalize complete appraisal report for each parcel. These reports shall conform to the City's policies and procedures along with the Uniform Standards of Professional Appraisal Practice.
- d) All completed appraisals will be administratively reviewed and approved by the City.
- e) Appraisal fee could be adjusted based on complexity of evaluation within range provided in Fee Schedule.

4. Negotiation Services

- a) Analyze appraisal reports and confirm approved value prior to making offer for each parcel.
- b) Analyze preliminary title report to determine potential title problems and propose methods to cure title deficiencies. (Exhaust all efforts to obtain subordinations of liens, waiver of lienholders and clear any title, if 7Arrows staff cannot cure title through standard practices, the City will be responsible for obtaining legal counsel to remedy any tile deficiencies as required by title or alternatively, may elect to close the easement without a title policy).
- c) Prepare the initial offer letter and any other documents required or requested by the City in an acceptable form.
- d) Contact each property owner or owner's designated representative and present the written offer in person where practical. When owners do not wish to have offers delivered in person, they will be mailed via certified mail with return receipt for documentation of delivery/receipt. Maintain follow-up contacts and secure the necessary instruments upon acceptance of the offer for the closing.
- e) Provide a copy of the appraisal report for the subject property exclusively to the property owner or authorized representative at the time of the offer.
- Respond to property owner inquiries verbally and/or in writing within two business days.
- g) Prepare a separate negotiator contact report for each parcel file for each contact.
- h) Maintain parcel files of original documentation related to the purchase of the real property or property interests/acquisition of the Easement or Right of Way.

- i) Present counteroffers in a form as directed by the City. Transmit any written counteroffer from property owners including supporting documentation, and Agent's recommendation with regard to the counteroffer.
- j) Prepare second and final offer letter as necessary.

5. Acquisition/Closing Services

- a) Prepare check request, review closing documents and facilitate execution of all necessary documents. Attend closings and provide closing services in conjunction with Title Company for all tracts.
- b) Transport any documents to the City and landowner for signatures.
- c) Record or cause to be recorded all original instruments immediately after closing at the respective County Clerk's Office.
- d) Review Title Policy and provide to City for permanent storage.

6. Project Administration

- a) Maintain current status reports of all parcel and project activities.
- b) Provide bi-weekly update reports to City of Pflugerville, as requested.
- c) Participate in up to 10 project review meetings as requested, all additional meetings will be charged on a per hour basis.
- d) Copy designated City representative(s) on all property owner correspondence, as requested.
- e) Maintain copies of all correspondence and contacts with property owners.
- f) Update database with current status information and documentation.
- g) Condemnation Support Services are not included in the Basic Scope of Services.

SUPPLEMENTAL SERVICES (Not contemplated within BASIC SCOPE & FEE):

7. <u>Condemnation Support</u>

- a) Upon receipt to proceed with Eminent Domain from City, order updated "Condemnation Limited Title Report" (search parameters set by City and/or outside legal counsel)
- b) Prepare condemnation package as directed by City and deliver to City's designee or legal counsel.
- c) Upon notification from City, request update of appraisal.
- d) As necessary, the appraiser will appear and or testify as an Expert Witness in eminent domain proceedings and be available for pre-hearing or pre-trial meetings as directed by City (additional fees to be charged on an hourly basis).
- e) As necessary, the ROW Manager will appear and provide Expert Witness testimony when requested (Additional fees will be charged on an hourly basis).
- f) Supplemental Appraisal Fee to be applied for complex appraisals as needed.

Summary,

On April 1, 2024, City of Pflugerville selected Black & Veatch Corporation to provide Preliminary Engineering Report phase services for the 30/24-inch State Highway 45 Pump Station Discharge Line project. This proposed water line will run parallel to the northern frontage road of State Highway 45 and will connect the future State Highway 45 Pump Station to 960' Pressure Zone. This project will provide additional conveyance capacity to serve growth in the 960' Pressure Zone. This item supports the Infrastructure Pillar of the Strategic Plan.

Black & Veatch Corporation's proposed scope of services includes the validation of the anticipated alignment and assessing the following factors: community, cost, engineering, construction, regulatory, geotechnical, and environmental. Black & Veatch Corporation will prepare a Preliminary Engineering Report summarizing the findings and recommendations given in the technical memorandum. The Preliminary Engineering Report will serve as a guide for future design phase services.

30/24-inch Hwy 45 Pump Station Discharge Line

We have reviewed the access needed for preliminary field investigations (site visits, geotechnical, environmental) and developed the following list of properties to request right-of-entry (ROE) by 7Arrows.
