Re: Proposed Improvements to District Owned Property

To Whom It May Concern,

On behalf of Pflugerville Independent School District, this letter serves as confirmation the district has no objection to PAYBAS making recently discussed improvements to the baseball and softball fields located at 701 Immanuel Road. Specifically discussed items include septic, electrical, scoreboard, and fencing improvements.

These improvements will be completed at no cost to the district and will be coordinated with school administration to ensure that construction and upgrades do not interfere with school activities, student use, or scheduled athletic events. Prior to starting work on each improvement, PAYBAS will obtain approval from my office, to begin work.

We appreciate PAYBAS's commitment to enhancing these facilities for the benefit of PfISD students and the surrounding community. We look forward to seeing your progress in the near future.

Regards,
