Attention: Brandon Wade

Subject: Proposal for the installation of a 141 KW Roof Mounted Solar Array System at the Water Treatment Plant located at 100 Weiss Lane, Pflugerville, Texas.

Jamail & Smith Construction is pleased to offer the attached proposal for the referenced project pursuant to our TCPN Contract # R4957. Jamail & Smith Construction will be the Design Manager and a Designer for the project.

This proposal includes the following scope of work:

1. Provide and install a 141 KW roof mounted solar array system.
2. Provide all electrical and structural design for the system.
3. Provide a Monitoring display system.
4. Jamail & Smith construction will supply all materials, equipment and labor to complete the job.
5. Provide all submittals for all products used on the project.
6. Provide all project management and supervision for the project.

Exclusions:

- Sales Tax, Permits / Fees.
- The disposal of, treatment of, or transportation of any hazardous substance, petroleum contaminated or other regulated substances.
- Premium time labor

Schedule:

- Normal Working Hours shall be from 7:00am to 5:00pm
- Upon receipt of a purchase order Jamail & Smith will derive a construction schedule for the project.

The amount of our proposal \$ 1,043,990.70 as is calculated as follows:

R.S. Means Unit Price Estimate	\$ 1,831,705.30
Less City Cost Credit 19.6 %	\$ (359,014.24)
Less TCPN Coefficient 31.5%	\$ (449,170.77)
Bond 2%	\$ 20,470.48

Total **\$ 1,043,990.70**

Upon receipt of appropriate authorization to proceed we will derive a schedule for the activities required. We are prepared to respond immediately to coordinate the work. We look forward to working with you on this project. Should you have any questions please contact me at 512-410-3903.

Very truly yours,
Jamail and Smith Construction
