Bid Review and Recommendation of Award – Kelly Lane Park (PA 2010)

Dear Mr. Achée,

On June 26, 2025, bids were opened for the construction of Kelly Lane Park. A total of twelve (12) bids were received for this project. Dunaway verified all bid calculations and confirmed that the tabulations contained no mathematical errors. In addition, Dunaway reviewed each submittal to ensure that all required documentation and information necessary for the best value scoring evaluation were provided.

Per our review of the information provided to us, and confirmation with the City of Pflugerville that the contractors have met bid requirements, we recommended advancing the following bids to shortlist:

	Bidder	Base Bid	Add Alt 1	Total Bid
2	G Hyatt Construction	\$ 1,837,432.97	\$ 348,867.11	\$ 2,186,300.08
5	Patin Construction	\$ 1,939,680.00	\$ 412,057.00	\$2,351,737.00
6	T.F. Harper & Associates	\$ 1,987,573.95	\$ 471,817.80	\$2,459,391.75

An itemized tabulation of the shortlisted bids is provided in **Attachment A**. City staff evaluated the shortlisted proposers based on the established scoring criteria for this project. **Attachment B** includes the scoring breakdown and final compiled scores from City staff for the three (3) shortlisted proposers.

Based on the shortlisted proposer's evaluation Dunaway recommends that the construction contract for the Kelly Lane Park Base Bid items be awarded to **Patin Construction, LLC** in the amount of \$1,939,680.00.

Please contact me for any further discussion or clarification.

Sincerely,

Brendan Wittstruck, PLA, ASLA, LEED AP
Studio Lead | Associate
