

Approving a Resolution authorizing the City Manager to execute a Vacation, Abandonment, and Release of an existing drainage easement originally granted to the City by easement recorded in Travis County Real Property Records, Document No. 2013075961

Background

- The existing drainage easement accommodates an existing low area near an existing culvert under Pfluger Farm Lane
- The proposed project eliminates the need for this existing drainage easement by re-grading the site to eliminate this low point and has dedicated a new, smaller easement for the culvert area

Recommended Action

- Staff recommends approval of this resolution for City Manager signature of the Drainage Easement Vacation.
