- (c) "Public infrastructure" shall mean water, reclaimed water and/or wastewater pipelines and associated appurtenances to be constructed by the Holder or its agents, contractors and assigns.

- 2. *Character of Easement.* The Easement granted herein is "in gross," in that there is no "Benefitted Property." Nevertheless, the Easement rights herein granted shall pass to Grantee's successors and assigns, subject to all of the Terms hereof. The Easement rights of use granted herein are irrevocable until the termination of the TCE in accordance with the terms herein.
- 3. *Purpose of Easement.* The Easement shall be used to facilitate the construction of Public infrastructure, which shall include use of the Easement Property for access, construction staging and storage, and other construction activities.
- 4. *Term.* The variable width TCE granted herein shall terminate automatically upon completion of the construction of the Public infrastructure included in Grantee's Public infrastructure project.
- 5. *Reservation of Rights.* Save and except, Grantor retains the right to surface use. Grantor and Grantor's heirs, successors, and assigns shall retain the right to use the surface of all or part of the Easement Property in conjunction with Holder as long as such use by Grantor and Grantor's heirs, successors, and assigns neither interferes nor conflicts with the use of the Easement Property by Holder for the Easement Purpose.
- 6. *Use and Maintenance of Easement Property.* Holder has the right to remove or relocate any encroachments into the Easement Property as necessary to utilize the same for the purpose of this Easement.
- 7. *Equitable Rights of Enforcement.* This Easement may be enforced by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the parties to or those benefited by this agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.

8. *Attorney's Fees.* If either party retains an attorney to enforce this agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.
9. *Binding Effect.* This agreement binds and inures to the benefit of the parties and their respective heirs, successors, and permitted assigns.
10. *Choice of Law.* This agreement will be construed under the laws of the state of Texas, without regard to choice-of-law rules of any jurisdiction. Venue is in the county or counties in which the Easement Property is located.
11. *Counterparts.* This agreement may be executed in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.
12. *Waiver of Default.* It is not a waiver of or consent to default if the non-defaulting party fails to declare immediately default or delays in taking any action. Pursuit of any remedies set forth in this agreement does not preclude pursuit of other remedies in this agreement or provided by law.
13. *Further Assurances.* Each signatory party agrees to execute and deliver any additional documents and instruments and to perform any additional acts necessary or appropriate to perform the terms, provisions, and conditions of this agreement and all transactions contemplated by this agreement.
14. *Integration.* This agreement contains the complete agreement of the parties and cannot be varied except by written agreement of the parties. The parties agree that there are no oral agreements, representations, or warranties that are not expressly set forth in this agreement.
15. *Legal Construction.* Any provision in this agreement is for any reason unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability will not affect any other provision hereof, and this agreement will be construed as if the unenforceable provision had never been a part of the agreement. Whenever context requires, the singular will include the plural and neuter include the masculine or feminine gender, and vice versa. Article and section headings in this agreement are for reference only and are not intended to restrict or define the text of any section. This agreement will not be construed more or less favorably between the parties by reason of authorship or origin of language.

16. *Notices.* Any notice required or permitted under this agreement must be in writing. Any notice required by this agreement will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this agreement. Notice may also be given by regular mail, personal delivery, courier delivery, facsimile transmission, or other commercially reasonable means and will be effective when actually received. Any address for notice may be changed by written notice delivered as provided herein.
17. *Recitals/Exhibits.* Any recitals in this agreement are represented by the parties to be accurate, and constitute a part of the substantive agreement. All exhibits referenced herein are attached hereto and incorporated by reference herein for all purposes.
18. *Entire Agreement.* This instrument contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. Any oral representation or modification concerning this instrument shall be of no force and effect except for any subsequent modification in writing signed by the party to be charged.
