Control: 0757-01-026
Project: C 0757-01-026
Highway: FM 685

The above referenced arterial congestion and incident management project has been reviewed. The City of Pflugerville and the Austin District recommend awarding the contract to Joe Bland Construction. The total amount of the low bid was \$1,715,086.75, which is 22.1 percent under the engineer's estimate of \$2,202,246.30. This project is 100% local funds. The city is responsible for all costs associated with the project, including any overruns of the approved local project budget.

Attached is the District Letter of Authority (DLOA) for locally let projects, indicating clearances for the following:

- ◆ Right of way
- ◆ Encroachments
- ◆ Relocation assistance
- ◆ Utilities
- ◆ Environmental
