

To,
Owners of 2004/2016 Rowe Loop,
Pflugerville, TX

During the week of 9/13, we received your letter seeking support for rezoning your property to SF-R(7500 sq.ft) . Over our few discussions we understand the merits of your request and over careful consideration and the benefits that it would bring to the neighborhood and city of Pflugerville for helping with the much-needed residential housing.

We would support your rezoning request to SF-R.

Please reach out to me at [REDACTED] if you need any clarifications or questions.

Your Sincerely
