Dear Mayor Coleman,

We are arriving at the end of the term for the Eastern Jurisdictions Board of Directors Member of the Travis Central Appraisal District. Your current representative is Mr. Rico Reyes. The term for your representative board member is two years, starting in January, 2012. This letter is being written to let you know that we need your nomination for the board member in the form of a resolution on or before November 1. When I have received all of the nominations, I will mail you a ballot to vote for your favorite candidate in November. Let me know if you have any questions.

Sincerely,

Patrick Brown
