BOHLS NEIGHBORHOOD ASSOCIATION

The undersigned Pflugerville residents petition the City of Pflugerville City Council to disapprove/reject the ¹Project Charm PUD Rezoning (REZ1911-02) and ²Timmerman 2020 Rezoning (REZ1911-04) requests.

Bohls Neighborhood residents are concerned of the City of Pflugerville's lack of transparency leading to the requests and notification afforded to allow for meaningful input. The rezoning will result in:

- Increased demands on already challenged city infrastructure (such as roadways, water and wastewater systems, and fire-emergency medical services);
- Negative impacts to residents' safety, quality of life, and property values; and
- Significant environmental impacts, such as increased lighting, noise, and air pollution.

1. Project Charm PUD Rezoning (REZ1911-02) – approximately 93.559 acres out of the Sefrin Eiselin Survey No. 4 Abstract No. 265 of Travis County, Texas, from Agriculture/Development Reserve (A) to Planned Community Development (PUD) district.
2. Timmerman 2020 Rezoning (REZ1911-04) – approximately 150 acres out of the Sefrin Eiselin Survey No. 4, Abstract No. 265, of Travis County, Texas, from Agriculture/Development Reserve (A) to Urban (Level 4: CL4) district.

BOHLS NEIGHBORHOOD ASSOCIATION

The undersigned Pflugerville residents petition the City of Pflugerville City Council to disapprove/reject the 'Project Charm PUD Rezoning (REZ1911-02) and 'Timmerman 2020 Rezoning (REZ1911-04) requests.

Bohls Neighborhood residents are concerned of the City of Pflugerville's lack of transparency leading to the requests and notification afforded to allow for meaningful input. The rezoning will result in:

- Increased demands on already challenged city infrastructure (such as roadways, water and wastewater systems, and fire-emergency medical services);
- Negative impacts to residents' safety, quality of life, and property values; and
- Significant environmental impacts, such as increased lighting, noise, and air pollution.
