

2021-1112

Approving the selection of Plummer for professional engineering services associated with the wastewater line rehabilitation projects identified within the Wastewater Master Plan and authorizing the City Manager to execute a professional services agreement in the amount of \$61,365.00.

Selection Process

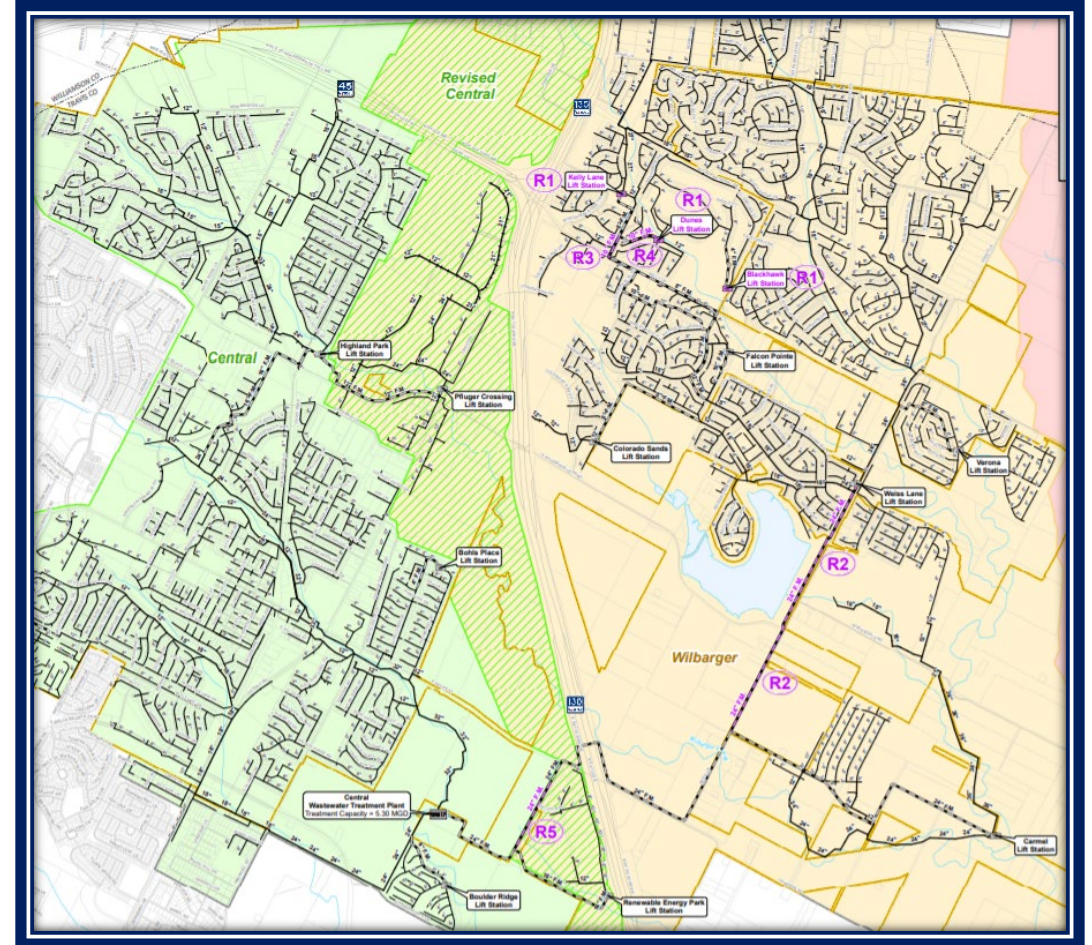

- Request for Qualification (21-010) published 08/04/2021
- 6 Statements of Qualifications (SOQ) received 08/26/2021
- A Selection Committee made up of City Staff reviewed and scored the SOQ's
- SOQ scoring required interviews to further evaluate team's experience
- 2 firms were interviewed by the Selection Committee
- Plummer was determined the most qualified based on the interview and scoring

Wastewater Rehabilitation Projects

Phase 1

- 5 Rehabilitation Projects identified in the 2020 Wastewater Master Plan
- The 90% Engineering Summary Report will be completed within 4 months
- Assess Lift Station infrastructure
- Assess Force Main Infrastructure
- Technical memorandum is anticipated to be complete 12 weeks from NTP
- Project specific design and construction phase services will be brought forward for City Council consideration as required

Staff Recommendation

Approve the selection of Plummer for professional engineering services associated with the wastewater line rehabilitation projects identified within the Wastewater Master Plan and authorizing the City Manager to execute a professional services agreement in the amount of \$61,365.00.
