

RES-0930

Authorizing the City Manager to renew a sludge hauling contract with Sheridan Environmental for the hauling of wastewater biosolids in the amount of \$545 per truck.

Contract

- This is the final year for renewal of our annual sludge hauling of wastewater biosolids.
- The City has had a great working relationship with Sheridan and wish to extend this contract for the final year of the allowed renewal window.

City staff requests authorizing the City Manager to renew a sludge hauling contract with Sheridan Environmental for the hauling of wastewater biosolids in the amount of \$545/truck.
