EXCLUSIVENESS OF EASEMENT:

The Easement is non-exclusive and Grantee's use shall be in common with Grantor and their successors and assigns. To the extent that such entry or use does not interfere with Grantee's use of the Easement as a drainage easement, Grantor hereby reserve, for themselves and their successors and assigns, the right to enter upon and use the surface of the Easement Tract, subsurface of the Easement Tract and the air space over the Easement Tract. Notwithstanding anything contained herein to the contrary, Grantor shall not use the Easement Tract in any other manner or grant any easement on or across the Easement Tract that interferes in any material way, or is inconsistent with, the easements, rights, and privileges granted hereunder or the terms and conditions hereof.

MAINTENANCE:

Grantor shall keep the Easement free from any obstruction not authorized by Grantee. Grantor shall maintain the surface area or the Easement Property, which shall include but shall not be limited to regular mowing to prevent vegetation from becoming an obstruction to the flow of water within the Easement.
