

Agenda item 2020-8366

Approving a professional services agreement with Kimley-Horn and Associates in the amount of \$149,997.50 for professional engineering services associated with the Comprehensive Americans with Disabilities Act (ADA) Self Evaluation and Transition Plan and authorizing the City Manager to execute same.

Project Background

- The Americans with Disabilities Act (ADA) of 1990 is a civil rights statute that mandates equal opportunity for individuals with disabilities
- City is required to:
 - Evaluate current services, programs, activities, policies, practices, and facilities
 - Develop a Transition Plan setting forth steps to bring non-compliant elements into compliance
 - Provide an opportunity for public comment on self-evaluation process

Project Purpose

To determine if the City of Pflugerville is in reasonable compliance with the ADA with respect to City-owned facilities, public rights-of-way, programming, and communications

Consultant Scope of Services

- Complete self-evaluation of select City communications and facilities
- Review City standards and codes
- Develop an ADA Transition Plan
 - Identify physical obstacles that limit the accessibility
 - Describe the methods to be used to make the facilities accessible
 - Provide a schedule for making the access modifications
 - Identify the public officials responsible for implementation of the Transition Plan
 - Establish long-range goals and objectives for the City to maintain an effective program of accessibility for City-owned facilities and rights-of-way (ROW)
- Provide staff training
- Assist with public outreach

Staff requests approving a professional services agreement with Kimley-Horn and Associates in the amount of \$149,997.50 for professional engineering services associated with the Comprehensive Americans with Disabilities Act (ADA) Self Evaluation and Transition Plan and authorizing the City Manager to execute same.
