

STAFF REPORT

Planning and Zoning:	2/1/2021	Staff Contact:	Jeremy Frazzell, Asst. Planning Director
Agenda Item:	2021-0015	E-mail:	jeremyf@pflugervilletx.gov
Case No.	FP2012-02	Phone:	512-990-6300

SUBJECT: Approving a Final Plat for Hill Country Bible Church; a 48.126-acre tract of land out of the John Van Winkle Survey Abstract No. 786 and the E. Bebee Survey, Abstract No. 53; in Pflugerville, Texas. (FP2012-02)

LOCATION: The subject property is located generally southeast of the Wilke Ln and Pflugerville Pkwy intersection, encompassing land between Pflugerville Pkwy and Black Locust.

ZONING: The property is currently zoned General Business 1 (GB1) district and Retail (R) district. A rezoning of the property to Planned Unit Development is planned for approval on second reading by City Council on February 9, 2021.

ANALYSIS:

The final plat proposes to divide the existing tract into seven total lots to establish opportunities for future development of the property. Lots 1-4 and 7 will have frontage along Pflugerville Pkwy, while Lots 5 and 6 will have frontage along Black Locust. Lot 7 is a remnant tract that will remain in control by the existing church. A total of 5 phases are proposed, with Phase 1 consisting of Lot 3.

TRANSPORTATION:

A minor collector is proposed along the western extent of the property to provide access between E. Pflugerville Pkwy and Black Locust per the Master Transportation Plan, while also providing a connection to Amarylis Dr. The right of way width proposed for dedication is 50' with the remaining 10' provided as a public access easement containing a 10' wide sidewalk. The 10' wide sidewalk (veloway) within a public access easement is provided throughout the property per the PUD. The full extent of veloway will be constructed with Phase 1. A TIA with pro-rata has been agreed to and Phase 1 pro-rata has been paid. Phase 2 pro-rata will be provided with future site plans. Any building permit issued after December 31, 2021 will be subject to the roadway impact fees.

UTILITIES:

Located within the City of Pflugerville water and wastewater certificate of convenience and necessity (CCN), utility service will be provided by the City of Pflugerville. Extensions of public lines necessary to serve all lots are proposed within the preliminary plan.

PARKS:

A multi-family development consisting of 196 units is proposed on Lot 3, requiring 2.6 acres of parkland. The Parks and Recreation Director has approved parkland fee in lieu for this development and will be provided prior to recordation of the final plat. The park development fee is proposed to be provided

STAFF REPORT

through improvements on the property and will require a bond to be posted prior to final plat recordation.

STAFF RECOMMENDATION:

The proposed subdivision meets the minimum state and local requirements and staff recommends approval.
