Kids Club: Folktale Castle Building

This month's tale was a version of *Jack and the Beanstalk*. Registered kids aged 5 – 8 years old used various STEM materials, such as Magna tiles, wooden blocks, and Kiva planks, to build a castle.

Arts and Music with Miss Sandi

Music brings joy to families while strengthening children's language, social/emotional development, small and large motor skills, and overall brain power! Led by early-childhood educator Sandi Lane, this special interactive program invited adult caregivers to sing, move, and play instruments and bubbles with their child.

Pay it Forward
 Guests were invited to spread kindness throughout Pflugerville and beyond as we wrapped up our Summer Reading Program. This come-and-go event featured local volunteer opportunities and a quick charitable craft, which included making a pet toy for the animal shelter or decorating a kindness rock to leave at a park.
