Re: Review of Bid Tabulations and Recommendation of Award
Project Name: Grand Avenue Parkway Pavement Repair

Dear Mr. Wood:

As requested, HVJ has reviewed the bid submittals received on September 12, 2017 for the Grand Avenue Parkway Pavement Repair, which the City received five bids from Alpha Paving Industries, LLC, Angel Brothers Paving and Utility Contractors, Oldcastle Materials Texas, Inc., Smith Contracting Co., Inc., and Austin Materials.

Based on the review, HVJ recommends that the project be awarded to the low bidder, Austin Materials.

Please notify HVJ if you need additional information or have additional questions.

Sincerely,

HVJ ASSOCIATES, INC.
