

Authorizing the City Manager to purchase a Centrifuge  
Rotating Assembly for the Central Wastewater  
Treatment Plant from GEA Mechanical Equipment US,  
Inc. in the amount of \$305,183.11.

# Centrifuge

# Procurement

- Staff worked with the manufacturer of our existing unit to spec the correct unit that will work in our existing chassis.
- Due to our current units being manufactured by GEA, a different manufacturer's unit would not fit in our existing chassis.
- GEA is a sole source provider for their rotating equipment.

City staff requests authorizing the City Manager to purchase a Centrifuge Rotating Assembly for the Central Wastewater Treatment Plant from GEA Mechanical Equipment US, Inc. in the amount of \$305,183.11.
