

# Program Guide

## Spring/Summer 2013

# Director's Message

Spring brings ready opportunities to explore nature and the outdoors. Pflugerville has so many outdoor options to experience. As your Parks and Recreation Department, we look at life in Pflugerville and think how can we make it better.

Several new recreational projects are in progress or completed most notably the expansion of the swimming beach at Lake Pflugerville, which will be complete before our summer heat arrives. For those of you frequenting Gilleland pool, those pesky, toe-stubbing deck bricks have been removed and a new concrete deck around the pool is in place. Park playgrounds now have shade structures and benches in place to make your park visit more comfortable. We're also working on a plan to provide better connectivity to Pflugerville's trail system. Summer is a special time of year complete with youth summer camps and special events. Pfluger Park will host the Music in the Park series on Friday evenings, Deutschen Pfest is back in May, and in July the spectacular fireworks show at Lake Pflugerville returns.

I hope this issue of Pflugerville's Parks and Recreation Program Guide will become a ready resource in planning some fun through the spring and summer months. Activities abound within these pages. Why not take time to enjoy one or more of the programs or parks available to you and your family.

**Jim Bowlin**  
Director of Parks and Recreation

*The Parks and Recreation Department is dedicated to providing the citizens of Pflugerville with opportunities for increased health and wellness through recreational activities and safe park facilities that promote physical, emotional, intellectual, cultural and social well-being for all members of the community.*

# Aquatic Programs and Classes

Swimming works your whole body, improving cardiovascular conditioning, muscle strength, endurance, posture and flexibility all at the same time. Your cardiovascular system in particular benefits because swimming improves your body's use of oxygen without overworking your heart.

There is a low risk for swimming injuries because there's no stress on your bones, joints or connective tissues due to buoyancy and the fact that you weigh 1/10th less in water.

If you're looking for a safe daily workout routine, swimming is ideal because you can rigorously exercise with a reduced chance of swimming injuries.

## Children's Swim Lessons

Pflugerville aquatics instructors ensure a positive learning experience for you and your children in our American Red Cross learn-to-swim program. Classes run each year from June - August. Private and group lessons are also available.

**Parent/Child Classes:** Ages 6 months - 2 years  
30 minute classes

## Park Spotlight - Lake Pflugerville

Annual Lake Pflugerville Triathlon held every June.  
For more information, go to [www.lakepflugervilletri.com](http://www.lakepflugervilletri.com).

Fishing is one of the most popular activities at the lake and as the saying goes, anytime is a good time to be fishing. The lake is home to a variety of fish. The most commonly caught are those shown below. There are 4 fishing piers located around the lake and 8 small fishing docks. Fish can be caught with cane pole and bobber or the latest equipment. Most kids love to fish and studies show that fishing is a great way to get kids outside. KID FISH at the lake is June 1 and is held in cooperation with the Texas Parks & Wildlife Department. Come out for the event or anytime at all to test your fishing prowess or just see how lucky you are – they're waiting for you!

Lake Pflugerville, a 180-acre reservoir built to provide the Pflugerville citizens with drinking water. The lake has become the city's most popular family playground.

Lake Pflugerville provides swimming year-round and has a 3-mile granite trail along the perimeter of the lake. Located at the intersection of Weiss Lane and Pflugerville Parkway, the lake is open for fishing, swimming, kayak rentals and kite surfing. In addition, there is a playground, pavilion and beach area and boat launch (no motorized boats.) Families and residents enjoy events at the lake including Kid Fish and the Pfirecracker Pfestival. The lake has also become a training hot spot for swimmers, runners, cyclists and triathletes.

## Save Up to \$500 on Landscaping for Your Home

The **Drop-by-Drop Landscape Rebate Program** is open to homeowners who are residents or customers of the City of Pflugerville water utilities. The program runs from October 1 to June 15 each year. Applicants must not have participated in the Drop-by-Drop program within the current program year.

### Why Participate?

- Reduces maintenance time for your yard.
- Reduces the need for costly fertilizers and pesticides which can pollute water resources.
- Reduces water use by planting drought-tolerant plants.
- Attracts hummingbirds and butterflies to your yard.

### Program Requirements:

- Only plants listed on the Drop-by-Drop list qualify for the rebate.
- Only plants purchased after the submittal and approval of an application are eligible for a rebate.
- Plants must be planted on the property of the qualifying applicant.
- Plants located in public street rights-of-way are not eligible for a rebate.

Applications are available online at [www.pflugervilletx.gov/dropbydrop](http://www.pflugervilletx.gov/dropbydrop) or may be picked up at City Hall, 100 E. Main St., or the Recreation Center, 400 Immanuel Road.

## Community Gardens

The gardens are a perfect place to blend old and young...older ways and new technology, tried and true new plantings and the latest in organic gardening practices. Gardeners are encouraged to use creativity with planting selections to create an attractive, aesthetic garden that produces a bountiful harvest.

Gardeners are responsible for weeding their garden and paths adjacent to their plots on a regular basis. Specific attention must be paid to Bermuda grass and encroaching field grasses. Community Gardeners are encouraged to attend the Community Gardens Work day each growing season.

Garden plots are offered in three sizes:

20' x 20'	Full Plot	Full Year (\$50)	Half Year (\$25)
10' x 10'	Half Plot	Full Year (\$25)	Half Year (\$12.50)
2' x 20"	Accessible Plot	Full Year (\$25)	Half Year (\$12.50)

Students (18 and under) and seniors (55 and over) receive a 50 percent discount. The Pecan Street Community Gardens are available to City of Pflugerville and extra-territorial jurisdiction residents.

Applications and release forms are available at the Pflugerville Recreation Center at 400 Immanuel Rd or at [www.pflugervilletx.gov/communitygardens](http://www.pflugervilletx.gov/communitygardens). When a gardener turns in their application and pays the plot fee, Parks and Recreation staff will assign a plot number and provide the gardener a set of the garden rules.

10. Are tomorrow's conservation leaders.

# Outdoor Programs

## Feathery Residents

Pflugerville's trails are an excellent way to keep in shape and enjoy the outdoors. The early spring offers a wide variety of trees and plants to see that are budding and waking up from their winter slumber. Central Texas is home to many varieties of birds as well; and Pflugerville trails and creeks offer a perfect habitat for birds. In partnership with the Austin Audubon Society, the Park and Recreation Department will offer several new classes to provide an opportunity for residents to learn about birds in their natural habitat. Classes include: Introduction to Birdwatching, participants will get acquainted with the tools you need to enjoy central Texas birds; and Backyard Birds of Central Texas, backyard birds of all varieties as well as tips to attract them to your back yard will be discussed.

## Furry Residents - A "Bark" Park and Walking for the Dogs

Pflugerville's furry residents are not left out when looking for outdoor activities. A 2.5 acre park for four-legged friends can be found at 19417 Murchison Ridge Trail along with a pear orchard, demonstration gardens and purple martin village.

The dog park is open from dawn to 10 p.m. daily and provides separate fenced areas for small and large dogs. All dogs must have current vaccinations, be healthy and free of contagious diseases and parasites, and wear current license tags.

Dog park rules are posted at the park.

Enjoying the parks and trails is great, but it is even more fun enjoying it with a friend. If you don't have a dog and would enjoy walking or jogging with one, the City's animal shelter offers a dog walking volunteer program. The dogs in the animal shelter love to explore and would love to spend some time with you.

Volunteers must take a two hour course that teaches the basics of handling dogs. No commitment is required to walk the dogs - - after taking the training course you're good to go. You just show up, take a dog to the park, enjoy the company, get some exercise and help the community. For more information about the volunteer program, contact the animal shelter at (512) 990-PETS (7387).

Pflugerville offers abundant opportunities for your kids to be involved in organized youth sports. Listed below is a sampling of some of the organizations that the City recognizes as youth sports providers.

The benefits of being involved in athletics at a young age are plentiful. By teaching children about the importance of staying active and fit from a young age, we are helping to show them the value of exercise and staying healthy. Physical health and well-being in children is also directly related to their mental health and well-being, and active children that put their often boundless energy to use in a constructive environment are able to grow from the experience of being a part of a team.
