Grantor and Grantee may jointly be referred to by "the parties."

TO HAVE AND TO HOLD the same onto Grantee and its successors and assigns, together with the rights and privileges and on the terms and conditions set forth below. Grantor does hereby covenant and agree to WARRANT AND DEFEND title to the Easement herein granted, unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof to the extent that such claim arises by, through, or under Grantor.

Terms and Conditions: The following terms and conditions apply to the Easement granted by this agreement:

1. *Definitions.* For the purposes of this grant of Easement certain terms shall have the meanings that follow:
 - (a) "Grantee" shall include Grantee's heirs, successors and assigns who at any time own any interest in the conveyance and are subject to the terms of this agreement.
 - (b) "Public infrastructure" shall mean water, reclaimed water and/or wastewater pipelines and associated appurtenances to be constructed by the Grantee or its agents, contractors and assigns.
2. *Character of Easement.* The Easement granted herein is "in gross," in that there is no "Benefitted Property." Nevertheless, the Easement rights herein granted shall pass to Grantee's successors and assigns, subject to all of the Terms hereof. The Easement rights of use granted herein are irrevocable until the termination of the TCE in accordance with the terms herein.
3. *Purpose of Easement.* The Easement shall be used to facilitate the construction of Public infrastructure, which shall include use of the Easement Property for access, construction staging and storage, and other construction activities.
4. *Term.* The variable width TCE granted herein shall terminate automatically upon completion of the construction of the Public infrastructure included in Grantee's Public infrastructure project.
5. *Reservation of Rights.* Save and except: Grantor retains the right to surface use, including necessary use of Grantor's driveway which shall remain passable including during construction activities when such work may render the driveway in lower grade condition. Grantee shall restore the driveway to substantially original condition upon completion of work within a reasonable time. Furthermore, Grantee expressly agrees to make good faith efforts to preserve during construction activities Grantor's water meter (visible at grade and near the north property edge) and a water line running directly west towards the rear of the property. If there is any damage to the water meter or related water line caused by Grantee's activities, Grantee shall restore the water meter to substantially original condition upon completion of work within a reasonable time. Grantor and Grantor's heirs, successors, and assigns shall retain the right to use the surface of all or part of the Easement Property in conjunction with Grantee as long as such use by Grantor and Grantor's heirs, successors, and assigns neither interferes nor conflicts with the use of the Easement Property by Grantee for the Easement Purpose.

6. *Use and Maintenance of Easement Property.* Grantee has the right to remove or relocate any encroachments into the Easement Property as necessary to utilize the same for the purpose of this Easement.
7. *Equitable Rights of Enforcement.* This Easement may be enforced by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the parties to or those benefited by this agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.
8. *Attorney's Fees.* If either party retains an attorney to enforce this agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.
9. *Binding Effect.* This agreement binds and inures to the benefit of the parties and their respective heirs, successors, and permitted assigns.

12. *Waiver of Default.* It is not a waiver of or consent to default if the non-defaulting party fails to declare immediately default or delays in taking any action. Pursuit of any remedies set forth in this agreement does not preclude pursuit of other remedies in this agreement or provided by law.

14. *Integration.* This agreement contains the complete agreement of the parties and cannot be varied except by written agreement of the parties.

The parties agree that there are no oral agreements, representations, or warranties that are not expressly set forth in this agreement.

15. *Legal Construction.* Any provision in this agreement is for any reason unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability will not affect any other provision hereof, and this agreement will be construed as if the unenforceable provision had never been a part of the agreement. TEMPORARY CONSTRUCTION EASEMENT AGREEMENT

THE STATE OF TEXAS §
 §
COUNTY OF TRAVIS §

GRANT OF EASEMENT:

ROBIN WEISS FAULK, as Trustee of the Robin Weiss Faulk Trust, as created by the Last Will and Testament of Don Lee Weiss, deceased; **JACKIE WEISS PORTER**, as Trustee of the Jackie Weiss Porter Trust, as created by the Last Will and Testament of Don Lee Weiss, deceased and **RANDY CHARLES WEISS**, as Trustee of the Randy Charles Weiss Trust, as created by the Last Will and Testament of Don Lee Weiss, deceased and **GLADYS O. WEISS** (as to a life estate) ("Grantor"), for the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confessed, does hereby grant, sell and convey unto **THE CITY OF PFLUGERVILLE, TEXAS**, a home-rule city located in Travis County, Texas ("Grantee"), an exclusive temporary access and construction easement ("TCE" or "Easement") across a variable width area upon and across the property of Grantor, which is more particularly described on Exhibit "A", attached hereto and incorporated herein by reference ("Easement Property"), together with rights of ingress and egress across the property of the Grantor if necessary to access the TCE. Grantor and Grantee may jointly be referred to by "the parties."

TO HAVE AND TO HOLD the same onto Grantee and its successors and assigns, together with the rights and privileges and on the terms and conditions set forth below. Grantor does hereby covenant and agree to WARRANT AND DEFEND title to the Easement herein granted, unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof to the extent that such claim arises by, through, or under Grantor.

Terms and Conditions: The following terms and conditions apply to the Easement granted by this agreement:

1. *Definitions.* For the purposes of this grant of Easement certain terms shall have the meanings that follow:
 - (a) "Grantee" shall include Grantee's heirs, successors and assigns who at any time own any interest in the conveyance and are subject to the terms of this agreement.
 - (b) "Public infrastructure" shall mean water, reclaimed water and/or wastewater pipelines and associated appurtenances to be constructed by the Grantee or its agents, contractors and assigns.
2. *Character of Easement.* The Easement granted herein is "in gross," in that there is no "Benefitted Property." Nevertheless, the Easement rights herein granted shall pass to Grantee's successors and assigns, subject to all of the Terms hereof. The Easement rights of use granted herein are irrevocable until the termination of the TCE in accordance with the terms herein.
3. *Purpose of Easement.* The Easement shall be used to facilitate the construction of Public infrastructure, which shall include use of the Easement Property for access, construction staging and storage, and other construction activities.
4. *Term.* The variable width TCE granted herein shall terminate automatically upon completion of the construction of the Public infrastructure included in Grantee's Public infrastructure project.
5. *Reservation of Rights.* Save and except: Grantor retains the right to surface use, including necessary use of Grantor's driveway which shall remain passable including during construction activities when such work may render the driveway in lower grade condition. Grantee shall restore the driveway to substantially original condition upon completion of work within a reasonable time. Furthermore, Grantee expressly agrees to make good faith efforts to preserve during construction activities Grantor's water meter (visible at grade and near the north property edge) and a water line running directly west towards the rear of the property. If there is any damage to the water meter or related water line caused by Grantee's activities, Grantee shall restore the water meter to substantially original condition upon completion of work within a reasonable time. Grantor and Grantor's heirs, successors, and assigns shall retain the right to use the surface of all or part of the Easement Property in conjunction with Grantee as long as such use by Grantor and Grantor's heirs, successors, and assigns neither interferes nor conflicts with the use of the Easement Property by Grantee for the Easement Purpose.

6. *Use and Maintenance of Easement Property.* Grantee has the right to remove or relocate any encroachments into the Easement Property as necessary to utilize the same for the purpose of this Easement.
7. *Equitable Rights of Enforcement.* This Easement may be enforced by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the parties to or those benefited by this agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.
8. *Attorney's Fees.* If either party retains an attorney to enforce this agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.
9. *Binding Effect.* This agreement binds and inures to the benefit of the parties and their respective heirs, successors, and permitted assigns.
10. *Choice of Law.* This agreement will be construed under the laws of the state of Texas, without regard to choice-of-law rules of any jurisdiction. Venue is in the county or counties in which the Easement Property is located.
11. *Counterparts.* This agreement may be executed in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.
12. *Waiver of Default.* It is not a waiver of or consent to default if the non-defaulting party fails to declare immediately default or delays in taking any action. Pursuit of any remedies set forth in this agreement does not preclude pursuit of other remedies in this agreement or provided by law.
13. *Further Assurances.* Each signatory party agrees to execute and deliver any additional documents and instruments and to perform any additional acts necessary or appropriate to perform the terms, provisions, and conditions of this agreement and all transactions contemplated by this agreement.
14. *Integration.* This agreement contains the complete agreement of the parties and cannot be varied except by written agreement of the parties.

The parties agree that there are no oral agreements, representations, or warranties that are not expressly set forth in this agreement.

15. *Legal Construction.* Any provision in this agreement is for any reason unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability will not affect any other provision hereof, and this agreement will be construed as if the unenforceable provision had never been a part of the agreement. Whenever context requires, the singular will include the plural and neuter include the masculine or feminine gender, and vice versa. Article and section headings in this agreement are for reference only and are not intended to restrict or define the text of any section. This agreement will not be construed more or less favorably between the parties by reason of authorship or origin of language.
16. *Notices.* Any notice required or permitted under this agreement must be in writing. Any notice required by this agreement will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this agreement. Notice may also be given by regular mail, personal delivery, courier delivery, facsimile transmission, or other commercially reasonable means and will be effective when actually received. Any address for notice may be changed by written notice delivered as provided herein.
17. *Recitals/Exhibits.* Any recitals in this agreement are represented by the parties to be accurate, and constitute a part of the substantive agreement. All exhibits referenced herein are attached hereto and incorporated by reference herein for all purposes.
18. *Entire Agreement.* This instrument contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. Any oral representation or modification concerning this instrument shall be of no force and effect except for any subsequent modification in writing, signed by the party to be charged.
19. *Assignability.* The Easement may be assigned by Grantee, its successors or assigns, without the prior written consent of Grantor.
