4C. [2025-0573](#)

Discussion regarding Library budget.

Jennifer Griswold, Library Director

Director Griswold gave an update on the FY26 budget. The overall city budget will be lower and that includes the library. This was caused by various factors including a comptroller office error, the economic situation around the country and lower development fee revenue for the city. The smaller budget will not affect our program offerings, but there will be a decrease in funds for our collection. The budget is moving through the process with City Council.
