Ms. Breland:

Waste Connections Lone Star, Inc., fka Progressive Waste Solutions of TX, Inc., in conformance with the requirements of our Exclusive Franchise Agreement for the Collection, Hauling, Recycling, and Disposal of Municipal Solid Waste and Recyclable Materials, hereby conveys the rate adjustment calculations for effect on February 1, 2022.

The adjustment is based on the combined sum the percent change in the Consumer Price Index and 6.6% of the change in the price for Diesel Fuel. The pertinent data sources are attached to this letter and summarized below.

Consumer Price Index

November 2021 – 277.948

November 2020 – 260.229

% Change – 6.8%

No CPI adjustment shall exceed 5.0%

Diesel Fuel (12 months ending September)

YE September 2021 – 2.74

YE September 2020 – 2.46

% Change – 11.4%

$11.4\% \times .660 = 0.8\%$

Combined

5.0% CPI% plus 0.8% Fuel = 5.8% upward adjustment.

In accordance with these calculations we request a 5.8% upward adjustment effective February 1, 2022. This will change the current monthly rate for Base Service from \$16.55 to \$17.51.

We are proud to serve the City of Pflugerville and its residents. If you have any questions or comments regarding this matter, please let me know.

Respectfully,
