The City shall keep or cause to be kept at the corporate trust office of UMB Bank, N.A., in Austin, Texas (the “Paying Agent/Registrar”), books or records for the registration of the transfer, conversion and exchange of the Certificates of Obligation (the “Registration Books”), and the City hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the City and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the Registered Owner of each Certificate of Obligation to which payments with respect to the Certificates of Obligation shall be mailed, as herein provided; but it shall be the duty of each Registered Owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The City shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The City shall pay the Paying Agent/Registrar’s standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Certificate or Certificates. Registration of assignments, transfers, conversions and exchanges of Certificates of Obligation shall be made in the manner provided and with the effect stated in the FORM OF CERTIFICATE set forth in this Ordinance. Each substitute Certificate of Obligation shall bear a letter and/or number to distinguish it from each other Certificate.

Except as provided in Section 3(c) of this Ordinance, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Certificate of Obligation, date and manually sign said Certificate, and no such Certificate of Obligation shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid Certificates and Certificates surrendered for conversion and exchange. No additional ordinances, orders, or resolutions need be passed or adopted by the governing body of the City or any other body or person so as to accomplish the foregoing conversion and exchange

of any Certificate of Obligation or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Certificates of Obligation in the manner prescribed herein, and the Certificates of Obligation shall be printed or typed on paper of customary weight and strength. Pursuant to Chapter 1201, Texas Government Code, as amended, the duty of conversion and exchange of Certificates of Obligation as aforesaid is hereby imposed upon the Paying Agent/Registrar and, upon the execution of said Certificate of Obligation, the converted and exchanged Certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Certificates of Obligation that initially were issued and delivered pursuant to this Ordinance, approved by the Attorney General and registered by the Texas Comptroller of Public Accounts.

(b) Payment of Certificates and Interest. The City hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Certificates, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the City and the Paying Agent/Registrar with respect to the Certificates, and of all conversions and exchanges of Certificates, and all replacements of Certificates, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the past due interest shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Registered Owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(c) In General. The Certificates (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Certificates to be payable only to the Registered Owners thereof, (ii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the City at least 35 days prior to any such redemption date), (iii) may be converted and exchanged for other Certificates, (iv) may be transferred and assigned, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Certificates shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the City shall have certain duties and responsibilities with respect to the Certificates, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF CERTIFICATE set forth in this Ordinance. The Certificate initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Certificate issued in conversion of and exchange for any Certificate or Certificates issued under this Ordinance the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR’S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF CERTIFICATE.

(d) Book-Entry Only System. The Certificates issued in exchange for the Certificate initially issued to the initial purchaser specified herein shall be initially issued in the form of a separate single fully registered Certificate for each of the maturities thereof. Upon initial issuance, the ownership of each such Certificate shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), and except as

provided in subsection (f) hereof, all of the outstanding Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created (“DTC Participant”) to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner of Certificates, as shown on the Registration Books, of any notice with respect to the Certificates, or (iii) the payment to any DTC Participant or any other person, other than a Registered Owner of Certificates, as shown in the Registration Books of any amount with respect to principal of or interest on the Certificates. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Registration Books as the absolute owner of such Certificate for the purpose of payment of principal and interest with respect to such Certificate, for the purpose of registering transfers with respect to such Certificate, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Certificates only to or upon the order of the Registered Owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to payment of principal of and interest on the Certificates to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Certificate evidencing the obligation of the City to make payments of principal and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the Registered Owner at the close of business on the Record Date (hereinafter defined), the words “Cede & Co.” in this Ordinance shall refer to such new nominee of DTC.

(e) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the representations letter of the City to DTC or that it is in the best interest of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Certificates and transfer one or more separate certificated Certificates to DTC Participants having Certificates credited to their DTC accounts; provided that while the Texas Water Development Board (the “Board”) is the holder of the Certificates, the DTC services shall not be discontinued by the City until the City has received the written consent thereto of the Board.

In such event, the Certificates shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Registered Owners transferring or exchanging Certificates shall designate, in accordance with the provisions of this Ordinance.

(f) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the representations letter of the City to DTC.

(g) DTC Blanket Letter of Representations. The City confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Certificates.

(h) Successor Paying Agents. The City covenants with the Registered Owners of the Certificates that at all times while the Certificates are outstanding the City will provide a competent and legally qualified bank, trust company, financial institution, or other entity having trust powers to act as and perform the services of Paying Agent/Registrar for the Certificates under this Ordinance, and that the Paying Agent/Registrar will be a single entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 50 days written notice to the Paying Agent/Registrar, to be effective not later than 30 days prior to the next principal payment or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the City covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Certificates, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying Agent/Registrar, the City promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each Registered Owner of the Certificates, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(i) Cancellation of Initial Certificates. On the closing date, one initial Certificate representing the entire principal amount of the Certificates, payable in stated installments to the purchaser designated in Section 12 or its designee, executed by manual or facsimile signature of the Mayor or the Mayor Pro-tem and City Secretary of the City, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee. Upon payment for the initial Certificates, the Paying Agent/Registrar shall cancel the initial Certificate and deliver to the Depository Trust Company on behalf of such purchaser one registered definitive Certificate for

each year of maturity of the Certificates, in the aggregate principal amount of all of the Certificates for such maturity.

(j) Conditional Notice of Redemption. With respect to any optional redemption of the Certificates, unless certain prerequisites to such redemption required by the Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the City, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

SECTION 4. FORM OF CERTIFICATES. The form of the Certificates, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Certificates initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance.

In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Certificate appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

IF THE DATE for the payment of the principal of or interest on this Certificate shall be a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the designated corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS CERTIFICATE is one of a series of Certificates dated as of February 1, 2026, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$27,180,000 for the purpose of paying all or a portion of the City’s contractual obligations incurred in connection with: (i) construction, improvement and/or extending the City’s waterworks system, including architectural, structural, building mechanical, electrical, instrumentation, control, and SCADA upgrades to the City’s water treatment plant; (ii) acquiring, constructing, and installing additions, improvements, extensions, and equipment for the City’s waterworks system, including water lines, meters, pumps, valves, fittings and related infrastructure improvements; and (iii) legal, fiscal and engineering fees in connection with such projects.

By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Certificates or portions thereof that are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Certificates or portions thereof that are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Certificate shall be redeemed, a substitute Certificate or Certificates having the

same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the City, all as provided in the Certificate Ordinance.

ALL CERTIFICATES OF THIS SERIES are issuable solely as fully registered certificates, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Certificate Ordinance, this Certificate may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate principal amount of fully registered certificates, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having the same denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Certificate to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Certificate Ordinance. The form of Assignment printed or endorsed on this Certificate may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Certificate or any portion or portions hereof from time to time by the Registered Owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Certificate or portion thereof will be paid by the City. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Certificate or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Certificates is changed by the City, resigns, or otherwise ceases to act as such, the City has covenanted in the Certificate Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Certificates.

IT IS HEREBY certified, recited and covenanted that this Certificate has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery of this Certificate have been performed, existed and been done in accordance with law; that this Certificate is a general obligation of the City, issued on the full faith and credit thereof; and that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of

this Certificate, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in the City, and have been pledged for such payment, within the limit prescribed by law, and that this Certificate is additionally secured by and payable from a pledge of the revenues of the City's waterworks and sewer system (the "System") described below, to wit: the Surplus Revenues of the System, which are the revenues of the System that remain (i) after payment of all operation and maintenance expenses thereof (constituting the "Net Revenues" of the System) and (ii) after payment of all debt service, reserve and other requirements in connection with all of the City's revenue obligations (now or hereafter outstanding) that are payable from the Net Revenues, all as provided in the Certificate Ordinance.

BY BECOMING the Registered Owner of this Certificate, the Registered Owner thereby acknowledges all of the terms and provisions of the Certificate Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Certificate Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the City, and agrees that the terms and provisions of this Certificate and the Certificate Ordinance constitute a contract between each Registered Owner hereof and the City.

B. the first paragraph shall be deleted and the following will be inserted:

“ON THE MATURITY DATE SPECIFIED ABOVE The City of Pflugerville, Texas, in Travis County and Williamson County, Texas (the “City”), being a political subdivision and municipal corporation of the State of Texas, hereby promises to pay to the Registered Owner specified above, or registered assigns (hereinafter called the “Registered Owner”), on February 15 in each of the years, in the principal installments and bearing interest at the per annum rates set forth in the following schedule:

<u>Years</u>	<u>Principal Amounts</u>	<u>Interest Rates</u>
(Information from Section 2 to be inserted)		

The City promises to pay interest on the unpaid principal amounts hereof (calculated on the basis of a 360-day year of twelve 30-day months) from the date of delivery hereof (which date appears in the Delivery Certificate endorsed on this Certificate) at the Interest Rates per annum specified above. Interest is payable on August 1, 2026 and semiannually on each February 1 and August 1 thereafter to the respective principal installment payment dates specified above, or the date of redemption prior to maturity; except, if this Certificate is required to be authenticated and the date of its authentication is later than the first Record Date, such principal installment amounts shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal installment amounts shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Certificate or Certificates for which this Certificate is being exchanged is due but has not been paid, then this Certificate shall bear interest from the date to which such interest has been paid in full.

C. The Initial Certificate shall be numbered “T-1”.

SECTION 5. INTEREST AND SINKING FUND. A special “Interest and Sinking Fund” has been created and shall be established and maintained by the City at an official depository bank of the City. Said Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the City, and shall be used only for paying the interest on and principal of the Certificates. All amounts received from the sale of the Certificates as accrued interest shall be deposited upon receipt to the Interest and Sinking Fund, and all ad valorem taxes levied and collected for and on account of the Certificates shall be deposited, as collected, to the credit of said Interest and Sinking Fund. During each year while any of the Certificates are outstanding and

unpaid, the governing body of the City shall compute and ascertain a rate and amount of ad valorem tax that will be sufficient to raise and produce the money required to pay the interest on the Certificates as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of the Certificates as such principal matures (but never less than 2% of the original amount of the Certificates as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of the City, with full allowances being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the City, for each year while any of the Certificates are outstanding and unpaid, and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law.

SECTION 6. PLEDGE OF SURPLUS REVENUES. (a) The Certificates, together with other obligations of the City, are additionally secured by a pledge of the revenues of the City's waterworks and sewer system (the "System") that remain (i) after payment of all operation and maintenance expenses of the System (constituting the "Net Revenues" of the System) and (ii) after payment of all debt service, reserve and other requirements in connection with all of the City's revenue obligations (now or hereafter outstanding) that are payable from the Net Revenues (such revenues, constituting the "Surplus Revenues" of the System). The Surplus Revenues are hereby pledged to secure the payment of the Certificates. The City shall maintain sufficient rates and charges for the payment of System operations and, if Surplus Revenues are used in lieu of ad valorem taxes for the payment of the debt service requirements of System debt, such rates and charges shall produce sufficient Surplus Revenues therefor. If Surplus Revenues are required for the payment of debt service on the Certificates, the City shall deposit Surplus Revenues to the credit of the Interest and Sinking Fund created pursuant to Section 5, to the extent necessary to pay the principal of the Certificates.

(b) Notwithstanding the requirements of Section 5, if Surplus Revenues or other lawfully available funds of the City are actually on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes which otherwise would have been required to be levied pursuant to Section 5 may be reduced to the extent and by the amount of the revenues then on deposit in the Interest and Sinking Fund.

(c) Notwithstanding the requirements of Section 5 and Section 6(b), if Surplus Revenues and/or other lawfully available funds of the City are not on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, but there are budgeted for collection revenues ("Budgeted Revenues") in sufficient amounts to pay the principal coming due on the Certificates in any year, then, subject to the requirements set forth below, the amount of taxes which otherwise would have been required to be levied pursuant to Section 5 may be reduced to the extent and by the amount of the Budgeted Revenues. In the event that Budgeted Revenues are to be used to pay principal coming due on the Certificates in any year, the City:

- (i) shall transfer and deposit in the Interest and Sinking Fund each month an amount of not less than 1/12th of the annual debt service on the Certificates until the amount on deposit in the Interest and Sinking Fund equals the amount required for annual debt service on the Certificates; further, the City shall not transfer any funds from the City's System to any fund other than the Interest and Sinking Fund until such time as an amount equal to the annual debt service on the Certificates for the then current fiscal year has been deposited in the Interest and Sinking Fund; and, provided further that transfers may be made from the System to an interest and Interest and Sinking fund, debt service reserve fund, contingency fund or other fund or account established for the benefit of any revenue obligations of the City that are secured by a pledge of the Net Revenues (which transfers shall be made in accordance with the provisions of the Ordinance pursuant to which such obligations were issued or incurred) and to any other interest and sinking fund established for the benefit of any revenue obligations of the City that are secured by a pledge of the Surplus Revenues (and any such transfers shall be made on a pro rata basis as the transfers made for the benefit of the Certificates);
- (ii) shall establish, adopt and maintain an annual budget that provides for either the monthly deposit of sufficient Surplus Revenues and/or tax revenues, the monthly deposit of any other legally available funds on hand at the time of the adoption of the annual budget, or a combination thereof, into the Interest and Sinking Fund for the repayment of the Certificates; and
- (iii) shall at all times maintain and collect sufficient System rates and charges in conjunction with any other legally available funds that, after payment of the costs of operating and maintaining the System, produce revenues in an amount not less than 1.10 times debt service requirements of all outstanding System revenue obligations of the City and other obligations of the City which are secured in whole or in part by a pledge of revenues of the System, for which the City is budgeting the repayment of such obligations from the revenues of the System, or the City shall prepare and provide documentation to any holder of a Certificate who requests same, which evidences the levy of an ad valorem tax rate dedicated to the Sinking Fund, in conjunction with any other legally available funds except System rates and charges, sufficient for the repayment of System debt service requirements.

SECTION 7. DEFEASANCE OF CERTIFICATES. (a) Any Certificate of Obligation and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Certificate") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Certificate, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and

interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the City with the Paying Agent/Registrar for the payment of its services until all Defeased Certificates shall have become due and payable. At such time as a Certificate of Obligation shall be deemed to be a Defeased Certificate hereunder, as aforesaid, such Certificate of Obligation and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged or the pledge of the Surplus Revenues as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Certificates that is made in conjunction with the payment arrangements specified in subsection 7(a)(i) or (ii) shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the City expressly reserves the right to call the Defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Certificates immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the City also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Certificates of Obligation and interest thereon, with respect to which such money has been so deposited, shall be turned over to the City, or deposited as directed in writing by the City. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Certificates may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection 7(a)(i) or (ii). All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Certificates, with respect to which such money has been so deposited, shall be remitted to the City or deposited as directed in writing by the City.

(c) The term “Defeasance Securities” means any securities and obligations now or hereafter authorized by Texas law that are eligible to discharge obligations such as the Certificates.

(d) Until all Defeased Certificates shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Certificates the same as if they had not been defeased, and the City shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(e) In the event that the City elects to defease less than all of the principal amount of Certificates of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Certificates by such random method as it deems fair and appropriate.

(f) In the event that the City establishes a defeasance escrow for the Certificates in accordance with Section 7, written notice thereof shall be promptly given to the Texas Water Development Board.

SECTION 8. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CERTIFICATES. (a) Replacement Certificates. In the event any outstanding Certificate is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new certificate of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Certificate, in replacement for such Certificate in the manner hereinafter provided.

(b) Application for Replacement Certificates. Application for replacement of damaged, mutilated, lost, stolen or destroyed Certificates shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Certificate, the Registered Owner applying for a replacement certificate shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Certificate, the Registered Owner shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Certificate, as the case may be. In every case of damage or mutilation of a Certificate, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Certificate so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Certificate shall have matured, and no default has occurred that is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Certificate, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Certificate) instead of issuing a replacement Certificate, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Certificates. Prior to the issuance of any replacement certificate, the Paying Agent/Registrar shall charge the Registered Owner of such Certificate with all legal, printing, and other expenses in connection therewith. Every replacement certificate issued pursuant to the provisions of this Section by virtue of the fact that any Certificate is lost, stolen or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen or destroyed Certificate shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Certificates duly issued under this Ordinance.

(e) Authority for Issuing Replacement Certificates. In accordance with Chapter 1201, Texas Government Code, as amended, this Section 8 of this Ordinance shall constitute authority for the issuance of any such replacement certificate without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such certificates is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Certificates in the form and manner and with the effect, as provided in Section 3(a) of this Ordinance for Certificates issued in conversion and exchange for other Certificates.

SECTION 9. CUSTODY, APPROVAL AND REGISTRATION OF CERTIFICATES; BOND COUNSEL'S OPINION; CUSIP NUMBERS; AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The Mayor of the City is hereby authorized to have control of the Certificates initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Certificates pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Certificates said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall sign the Comptroller's Registration Certificate attached to such Certificates, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the City's Bond Counsel and the assigned CUSIP numbers may, at the option of the City, be printed on the Certificates issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owners of the Certificates. In addition, if bond insurance is obtained, the Certificates may bear an appropriate legend as provided by the insurer. The officers, employees and agents of the City, and each of them, shall be and each is expressly authorized, empowered and directed from time to time and at any time to do and perform all acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City all certificates, financing statements, instruments, agreements and other papers, whether or not herein mentioned, as they may determine to be necessary or desirable in order to carry out the terms and provisions of this Ordinance. In the absence of the Mayor, the Mayor Pro-tem is directed to sign as Mayor on behalf of the City.

The obligation of the initial purchaser to accept delivery of the Certificates is subject to such purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the City, which opinion shall be dated as of and delivered on the date of initial delivery of the Certificates to the initial purchaser. The engagement of such firm as bond counsel to the City in connection with issuance, sale and delivery of the Certificates is hereby approved and confirmed. The execution and delivery of an engagement letter, to the extent desired by the City, between the City and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Mayor, and the Mayor is hereby authorized to execute such engagement letter. Additionally, a closing instruction letter executed or approved by an authorized representative of the City shall further provide for the fees and expenses to be paid for such bond counsel services.

SECTION 10. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE CERTIFICATES. The City covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Certificates as obligations described in section 103 of the Internal Revenue Code of 1986 (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Certificates (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the City, with

respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Certificates, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the “private business use” described in subsection (a) hereof exceeds 5 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a “private business use” that is “related” and not “disproportionate,” within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Certificates (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action that would otherwise result in the Certificates being treated as “private activity bonds” within the meaning of section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Certificates being “federally guaranteed” within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Certificates, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Certificates, other than investment property acquired with B

(1) proceeds of the Certificates invested for a reasonable temporary period of 3 years or, in the case of refunding bonds, for a period of 90 days or less, until such proceeds are needed for the purpose for which the Certificates or refunding bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the rules and regulations of the United States Department of the Treasury (the “Treasury Regulations”), and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Certificates;

(g) to otherwise restrict the use of the proceeds of the Certificates or amounts treated as proceeds of the Certificates, as may be necessary, so that the Certificates do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(h) to refrain from using the proceeds of the Certificates or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Certificates in contravention of the requirements of section 149(d) of the Code (relating to advance refundings);

(i) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Certificates) an amount that is at least equal to 90 percent of the “Excess Earnings,” within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Certificates have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code;

(j) to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Certificates are issued, an information statement concerning the Certificates, all under and in accordance with section 149(e) of the Code and the applicable Treasury Regulations promulgated thereunder;

(k) the City will not acquire any of the Texas Water Development Board’s source series bonds in an amount related to the amount of Certificates acquired by the Texas Water Development Board;

(l) In order to facilitate compliance with the above covenant (i), a “Rebate Fund” is hereby established by the City for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the certificateholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code;

(m) For purposes of the foregoing (a) and (b), the City understands that the term “proceeds” includes “disposition proceeds” as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Certificates. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the United States Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Certificates, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Certificates, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the Mayor or the Mayor Pro-tem and City Secretary and City Administrator to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the City, that may be permitted by the Code as are consistent with the purpose for the issuance of the Certificates; and

(n) This Ordinance is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

SECTION 11. METHOD OF AMENDMENT. The City hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to-wit:

(a) The City may from time to time, without the consent of any holder, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the holders, (ii) grant additional rights or security for the benefit of the holders, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders, (iv) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders.

(b) Except as provided in paragraph (a) above, the holders of Certificates aggregating in principal amount 51% of the aggregate principal amount of then outstanding Certificates that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the City; provided, however, that without the consent of 100% of the holders in aggregate principal amount of the then outstanding Certificates, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Certificates so as to:

- (1) Make any change in the maturity of any of the outstanding Certificates;
- (2) Reduce the rate of interest borne by any of the outstanding Certificates;
- (3) Reduce the amount of principal of, interest on, or redemption premium, if any, payable on any outstanding Certificates;
- (4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Certificates or any of them or impose any condition with respect to such payment; or
- (5) Change the minimum percentage of the principal amount of the Certificates necessary for consent to such amendment.

(c) If at any time the City shall desire to amend this Ordinance under this Section, the City shall send by U.S. mail to each Registered Owner of the affected Certificates a copy of the proposed amendment and cause notice of the proposed amendment to be published at least once in a financial publication published in the City of New York, New York or in the State of Texas. Such published notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the office of the City for inspection by all holders of such Certificates.

(d) Whenever at any time within one year from the date of publication of such notice the City shall receive an instrument or instruments executed by the holders of at least 51% in

aggregate principal amount of all of the Certificates then outstanding that are required for the amendment, which instrument or instruments shall refer to the proposed amendment and that shall specifically consent to and approve such amendment, the City may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and the respective rights, duties, and obligations of the City and all holders of such affected Certificates shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the holder of a Certificate pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the publication of the notice provided for in this Section, and shall be conclusive and binding upon all future holders of the same Certificate during such period. Such consent may be revoked at any time after six months from the date of the publication of said notice by the holder who gave such consent, or by a successor in title, by filing notice with the City, but such revocation shall not be effective if the holders of 51% in aggregate principal amount of the affected Certificates then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

For the purposes of establishing ownership of the Certificates, the City shall rely solely upon the registration of the ownership of such Certificates on the registration books kept by the Paying Agent/Registrar.

(g) Notwithstanding any provision of this Section 11, there shall be no modification of this Ordinance without the written consent of the Texas Water Development Board (while it is a Registered Owner of the Certificates).

SECTION 12. SALE OF CERTIFICATES OF OBLIGATION. The Certificates of Obligation are hereby sold and shall be delivered to the Texas Water Development Board for cash for the principal amount thereof, minus a loan origination fee as prescribed in Resolution No. 24-091. In accordance with its Resolution No. 24-091, the Texas Water Development Board will purchase the Certificates, with an amount approved by the Texas Water Development Board to be deposited to the Construction Fund authorized by Section 13 hereof (the “Construction Fund”) upon initial delivery of the Certificates, and the balance of the proceeds to be deposited to the Escrow Account authorized by Section 24 hereof until authorized for transfer to the Construction Fund by the Texas Water Development Board.

SECTION 13. CONSTRUCTION FUND. There shall be established by the City a separate fund to be designated the “SERIES 2026B CO Construction Fund” (the “Construction Fund”) to be held by the City’s depository bank, and upon the delivery of the purchase price for the Certificates, the proceeds from the sale of the Certificates shall be deposited into the Construction Fund. The costs of issuance of the Certificates, which include legal, fiscal and engineering fees, may be paid from the Construction Fund. The cost of the construction of the Project will be paid from this Construction Fund upon direction of the City Council of the City. All interest and profits from investments made with moneys in the Construction Fund shall remain

on deposit in the Construction Fund as a part thereof. After completion of the payment of all costs of the Project, any residue remaining in the Construction Fund shall be applied in accordance with Section 15 hereof.

SECTION 14. INVESTMENTS; COLLATERALIZATION OF PROCEEDS.

Proceeds of the Certificates shall be held at a designated state depository institution or other properly chartered and authorized institution in accordance with the Public Funds Investment Act, Chapter 2256, Texas Government Code (the “PFIA”), and the Public Funds Collateral Act, Chapter 2257, Texas Government Code, (the “PFC”). Money in any fund established pursuant to this Ordinance may, at the option of the City, be invested in eligible investments described in the PFIA, consistent with the investment policy of the City, as approved by the City Council of the City. All investments shall be made in such manner as will, in the opinion of the City, permit the money required to be expended from any fund to be available at the proper time or times as expected to be needed. Any uninvested, uninsured proceeds of the Certificates shall be subject to the PFC.

SECTION 15. SURPLUS PROCEEDS. Notwithstanding any other provision of this Ordinance or the Certificates restricting early redemption of the Certificates, the City shall use any surplus proceeds from the Certificates that are determined to be surplus funds remaining after completion of the project and completion of a final accounting in a manner as approved by the Texas Water Development Board’s (“TWDB”) Executive Administrator (the “Executive Administrator”), including without limitation to redeem, on any date, the Certificates owned by the TWDB, at a price of par plus accrued interest to the date fixed for redemption.

SECTION 16. EFFECTIVE DATE. In accordance with the provisions of Texas Government Code, Section 1201.028, this Ordinance shall be effective immediately upon its adoption by the City Council of the City.

SECTION 17. COMPLIANCE WITH THE TEXAS WATER DEVELOPMENT BOARD’S RULES AND REGULATIONS. The provisions of this Section shall apply so long as the Certificates, or any of them, are owned by the Texas Water Development Board. The City hereby agrees to comply with all conditions set forth in TWDB Resolution No. 24-091, which conditions are incorporated herein.

(g) Indemnification. The City further agrees, to the extent permitted by law, to indemnify, hold harmless and protect the TWDB from any and all claims or causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment, removal and off-site disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the City, its contractors, consultants, agents, officials and employees as a result of activities relating to the Project.

(h) Conveyance of Obligations. Prior to any action by the City to convey its obligations under the Certificates to another entity, if permitted by law, the conveyance and the assumption of such obligations must be approved by the TWDB. The City shall notify the Executive Administrator prior to taking any actions to alter its legal status in any manner, such a sale-transfer-merger with another retail public utility.

(i) Davis-Bacon Act Compliance. All laborers and mechanics employed by contractors and subcontractors for the Project who are paid from proceeds of the Certificates on deposit in the Construction Fund shall be paid wages at rates not less than those prevailing on projects of a similar character in the locality of the City in accordance with the federal Davis-Bacon Act and the U.S. Department of Labor's implementing regulations pertaining thereto.

(l) Timely Expenditures. All proceeds of the Certificates will be timely and expeditiously used, as required by applicable federal statutes and U.S. Environmental Protection Agency regulations, and the City shall adhere to a project construction schedule acceptable to the Executive Administrator that facilitates timely use of funds and project completion.

(m) As-Built Plans. The City shall provide to the TWDB a full and complete set of “as-built” plans relating to the Project, promptly upon completion of the Project.

(n) Final Accounting. The City shall render a final accounting of the cost of the Project to the TWDB within 60 days of the completion of the Project. If the total cost of the Project, as finally completed, is less than originally estimated, so that the proper share of the participation by the TWDB in the Project is reduced, such surplus proceeds shall be used in accordance with Section 15 hereof.

(o) Insurance. Insurance coverage be obtained and maintained by the City in an amount sufficient to protect the interest of the TWDB in the Project.

(p) Remedies. The TWDB may exercise all remedies available to it in law or equity, and any provision of the Certificates or this Ordinance that restricts or limits the TWDB’s full exercise of such remedies shall be of no force and effect.

(q) American Iron and Steel Requirements. The City will abide by all applicable construction contract requirements related to the use of iron and steel products in the United States, as required by the 2014 Federal Appropriations Act and related State Revolving Fund Policy Guidelines.

(r) Covenant Regarding Taxes and System Rates. The City hereby agrees that, for so long as the Certificates are outstanding, to levy a tax and/or maintain and collect sufficient rates and charges to produce System revenues in an amount necessary to meet the debt service requirements of all outstanding obligations and to maintain the funds established and required by the Certificates.

(s) The City shall abide by the prohibition on certain telecommunications and video surveillance services or equipment as required by 2 CFR § 200.216.

SECTION 18. ALLOCATION OF CERTIFICATE PROCEEDS. The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for the construction and acquisition of the Project on its books and records by allocating proceeds to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed. The foregoing notwithstanding, the City shall not expend proceeds of the sale of the Certificates or investment earnings thereon more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Certificates, or (2) the date the Certificates are retired, unless the City obtains an opinion of nationally-recognized bond counsel that such expenditure will not adversely affect the status, for federal income tax purposes, of the Certificates or the interest thereon. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest on the Certificates, if any.

SECTION 19. DISPOSITION OF PROJECT. The City covenants that the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel

that such sale or other disposition will not adversely affect the tax-exempt status of the Certificates. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains a legal opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest on the Certificates, if any.

SECTION 20. INTEREST EARNINGS ON CERTIFICATE PROCEEDS. Interest earnings derived from the investment of proceeds from the sale of the Certificates shall be used along with other Certificate proceeds for the Project; provided that after completion of such purpose, if any of such interest earnings remain on hand, such interest earnings shall be used as directed in Section 15. It is further provided, however, that any interest earnings on Certificate proceeds that are required to be rebated to the United States of America pursuant to Section 10 hereof in order to prevent the Certificates from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

(i) The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the City in any event will give the notice required by Subsection (a) hereof of any Certificate calls and defeasance that cause the City to no longer be such an “obligated person”.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under the Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(v) The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Certificates. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates.
