Why are you interested in serving on the Library Board?

I am a current Library Board member and have enjoyed serving on this Board. I would like to continue to serve on the Board as we complete the plans for the new library. This is an amazing time to be a part of the Library, watching it expand, and seeing how the community is embracing the positive changes that the library is making.

Do you have any previous board service, leadership, or volunteer experience?

I am a current Library Board member. I also serve as the Service Unit Director for the Pflugerville Girl Scouts which covers the entire Pflugerville School district. I have held this position for the past six years, have been an adult GS leader for 20 + years, and am currently on my 8th Girl Scout troop.

What kinds of skills or expertise can you offer?

As a Girl Scout SU Director, I provide training to adults who want to become a leader. I enjoy providing the training and public speaking. I create power point presentations for both Girl Scouts and my job with Department of State Health Services. I am currently re-writing 14 years of policy and procedures for my work program. Creating forms, documents and letters is a process that provides me with a sense of contentment.

Additionally, when in charge of meetings or a participant, I try to keep everyone on track and moving along. I value everyone's time and commitment and want to make sure we complete items on an agenda in a timely manner.

How will the organization benefit from your participation?  
I have excellent organizational skills, enjoy speaking publicly, and will represent both the library and the city in a positive manner.

What do you expect from us so that your experience is satisfying?

As a current board member, I have found the experience very satisfying and would feel honored, if I am allowed to continue for another term.

Please provide any additional information you feel would be useful to the City Council in considering your application. Please use additional sheets as necessary. A cover letter and/or resume may also be submitted with the application.

By signing this application, I hereby affirm that I am aware of the requirements for the position and certify that I meet those requirements.
