

COVID-19 Deutschen Pfest Safety Protocols

1. Masks:
 - a. Encourage all attendees over the age of two years old to wear a mask that covers both mouth and nose unless eating or drinking.
 - b. Provide disposable masks for patrons, staff and volunteers throughout the event.
2. Social distancing:
 - a. Strongly encourage social distancing of at least six feet, except for households and groups of 10 or fewer persons attending the event together.
 - b. Staff and volunteers are strongly recommended to work in their assigned pods of less than 10 persons to maximize social distancing of six feet.
 - c. All tables to remain at least six feet apart.
3. Sanitization and hygiene:
 - a. Paperless payment at gate, contactless transactions and exchanges as much as possible in vendor area.
 - b. Provide hand sanitizer dispensers and stations throughout event, especially near points of ingress-egress, food stations and near restrooms.
4. Safety planning and enforcement:
 - a. An email will be sent out to all ticket holders 72 hours in advance letting them know that we will give a full refund for anyone who does not attend due to COVID-19 concerns or recent exposure to COVID-19.
5. Communication and outreach:
 - a. Post signage near each entrance, and where information for workers is customarily posted, encouraging masks, social distancing and recommended hygiene practices.
 - b. Utilize webpage, social media, and direct announcements before and during the event to continuously remind attendees, volunteers, and staff of important COVID-19 preventative measures such as face coverings, sanitization, and social distancing.
