Request for Preliminary Plat Extension:

Please allow this letter to serve as our formal request to obtain a one-time six month extension for the Huntington Park Preliminary Plat.

Huntington Communities has worked closely with city staff, neighbors, and engineers to design a unique community within Pflugerville. Through Engineering, Parkland, and Public Amenities we are able to ensure the Huntington Park subdivision will meet the expectations of the community, city, and area residents.

In order to continue towards this common goal, we ask for this one-time extension so that we are able to properly design the site utilizing green development techniques and environmentally sound building practices.

Thank you for the opportunity to work together and make Huntington Park a flagship of Pflugerville.
